## Country Club Development Accorded Planners' Approval

By Sue Aucella Deacon

The Planning Board has unanimously approved developer Yvon Cormier's modified plan for one 39-acre section of his 360-acre Andover Country Club development and with their approval, the planners noted that they would like Cormier to construct sidewalks along Beacon Street, from that subdivision section to the intersection of Lowell Street.

As a condition of their approval of the definitive plan for section four, the planners Tuesday night said they would require the developer to build 1,700 feet of sidewalks along Beacon Street, outside the subdivision section, instead.

Section four, with 38 house lots and 12 acres of open space, will be located at the end of Canterbury Street and bounded by Route 495 and Beacon Street. The planners last month approved a special permit for regrading the section where the developer will relocate three fairways on the country club golf course. They have a December 26 deadline for approving a special permit to cluster for the section.

Chairman Margaret Bradshaw told the developer's representatives she would be willing to waive the requirement for sidewalks within the subdivision, if the developer was willing to build sidewalks along one side of Beacon Street.

Noting that children who will live in the subdivision section will have to walk down Beacon Street to West Elementary School, Bradshaw said, "It would be extremely hazardous for children to cross Beacon Street at Chandler Road" on their way to school.

Atty. Phillip Sullivan and engineer Arthur Fosse, representing Cormier, said they would discuss the plan with Cormier and then meet with Community Development and Planning Director Jonathan Gilmore to discuss the idea. Gilmore said the planning board wanted "assurances that sidewalks will be provided where necessary — and the ball's in your court."

The engineer told the board, "I think something can be probably worked out."

Among 12 other conditions on the board's approval of the definitive plan for section four: the developer will be required to prevent new homeowners in the section from using Canterbury Street to

reach their street; all traffic will be directed to Beacon Street. And during construction, the developer is to protect trees and shrubs on the site, especially those along exiting and proposed property lines.

Earlier Tuesday night, traffic consultant Dermott Kelly of Vanasse/Hangen Associates, Boston, described the results of a traffic study of the country club development that he recently completed for the town.

According to Kelly, section four — and the entire 315-lot country club development — will not create traffic problems along Lowell and Beacon Streets.

"Lowell and Beacon have sufficient capacity to handle the amount of traffic that will be generated" by the subdivision, Kelly said. "The volume from the housing will not be enough to create any adverse impacts or problems."

The consultant said he had studied existing traffic conditions along Lowell Street and Beacon Street and at the intersections of Lowell at Beacon, Lowell at Canterbury Street, and Beacon at Chandler Road, near section four.

Kelly said he found that 10,000 vehicles per day travel Lowell Street, 900 during peak morning and afternoon hours and 2,000 vehicles per day travel Beacon Street with 220 to 250 during peak hours. The new homes in section four would generate an additional 200 vehicles per day along Lowell Street and 130 a day along Beacon Street and would cause "no particular problems," he said.

The study assumed the section would be developed by 1984 and the entire development would be completed by 1989, Kelly said; it also assumed a two-

## Groups To Examine Child Care Needs

The Department of Community Services and the Mother Connections Working Issues Group are organizing three committees to examine child care needs for working parents.

One group will look into preschool-age child care needs and work toward implementing services not currently provided and increasing those for which there are minimal provisions (i.e. infant/toddler child care, extended hours for preschool care).

The second committee will develop and set criteria for school-age child care. This includes examining the kindergarten split day dilemma, morning and after-school care for elementary-age children and meeting needs of parents with older elementary children. Many of these 9 and 10 year

old are not only latch-key children, but are responsible for caring for younger siblings alone at home.

The third committee will work on developing a survey to assess needs for early childhood care in Andover. One goal is to get a more accurate picture of the number of dual working-parent families and single-parent families and how they are meeting their child-care needs.

The committees will begin meeting in early January. Members are being sought for all three committees which will begin meeting in early January. Anyone interested should contact the Department of Community Services and indicate which committee they would like to serve on. Details on meeting and times will be set in December.

## Alzheimer Lecture Scheduled

Rabbi Harry Roth and Dr. Larry Larsen will speak on "When Bad Things Happen to Good People on Tuesday, Nov. 29 at 7 p.m. at the Stevens Hall Convalescent Home, 95 Park St., North Andover.

The lecture is sponsored by the Merrimack Valley Alzheimer Support Group that meets the second Tuesday of each month at Stevens Hall.

This is the third in a lecture series sponsored by the group in dealing with all phases of Alzheimer Disease and related disorders.

## Appointed Engineer

Natgun Corporation has appointed Thomas J. MacElhaney sales engineer specializing in the promotion and development of wastewater treatment tanks. Following Natgun's policy of promoting from within wherever possible, MacElhaney was chosen from among several project managers to fill this position. MacElhaney has been with the company since graduating Northeastern University in 1977 and was a work study student in 1975. He holds a bachelor's degree in Civil Engineering and is a registered professional engineer in Massachusetts.

MacElhaney, a resident of Andover, will continue to operate from Natgun's main office in Wakefield.

Natgun Corporation is a designer and builder of precast, prestressed, concrete tanks for use in the water and wastewater fields.

## New Policy Suggested

A parent concerned about the problem of missing children has suggested a new aspect of the schools' attendance policy that could help save important hours in locating a hurt or missing child.

George Moran, a Planning Board member, last Tuesday night asked the School Committee to consider a new policy that would have parents call schools to report when their children are staying home sick. And if children fail to arrive at school and no word has come from home, the schools would call parents to find out if children are indeed at home.

This practice would save several hours when parents might assume a missing child was safely at school, while school officials assumed the child was at home, Moran said.

Committee members indicated that the idea was a good one, but wondered how effectively it could be implemented. They noted that during flu season, for example, parents might have trouble getting calls through to school offices.

Chairman Richard Neal asked the superintendent to review the suggestion with school principals, and return with a report on its feasibility.

## Problem Solving Entries Due

The Massachusetts Future Problem Solving Visual Arts Program invites art teachers to register their art students for the 1983-84 Massachusetts Future Problem Solving Bowl's competition.

Visual arts presentations should relate to this year's themes: Electronic Games, Prisons, Lasers and Radioactive Waste. There will be a registration fee per school or school system. Up to 25 entries may be submitted.

The Fourth Annual Future Problem Solving Bowl will be held Saturday, April 28, in Boston. The FPS Program is sponsored by The Massachusetts Association for the Advancement of Individual Potential, Inc., the Hoenywell Information Systems, Inc. and the Massachusetts Department of Education's Division of Curriculum and Instruction.

For guidelines and registration form, teachers should write to: Joan Lagoulis, Visual Arts Coordinator, 257 North Main St., Andover, MA 01810.

## Focus On Art To Resume

Andover Fine Arts opens its 1983-84 Focus On Art season on Tuesday, Nov. 15. This year's series of talks and events will explore risks and ventures in the art world.

The series begins with a walking tour and talk through the David Salle exhibition at the Addison Gallery of American Art at Phillips Academy. Christopher Cook, director of the Addison Gallery, and Natalie Alper, Boston artist, who together teach a seminar at the Museum School of Boston, will discuss "The Avant-Garde: Looking at Emerging Art" in a walk through the Salle show and into the archives of the Addison collection.

For further information on the Focus On Art series, contact Joan Bragen or Howard Yezerski.

## Brochure Available

An updated version of "Property Tax Exemptions for Older Citizens, Surviving Spouses and Minors" is available from the Citizen Information Service.

The brochure provides information concerning new alternatives which have been recently enacted by the legislature and which are valid only in those communities which have accepted them. This publication also reviews existing exemptions which are still in effect in towns and cities which have not accepted the new statutes.

Copies of "Property Tax Exemptions for Older Citizens, Surviving Spouses and Minors" may be obtained at local tax offices and Council on Aging centers or by contacting the Citizen Information Service, One Ashburton Place, Room 1611, Boston.

## To Discuss County

Concurrent units on county government will be held by the League of Women Voters of Andover on Monday, Nov. 14, at noon at the home of Joanne Marden, 10 Orchard St., and Thursday, Nov. 17, at 7:30 p.m. at the home of Virginia Farrell-Canavan, 45 Wildwood Road.

The proposed concurrence will be accepted or rejected by those members participating in either of the units or by mailing the insert of the November/December editions would be the abolition of county government at local discretion or regional government.

All league meetings are open to the public, but only members are allowed to decide positions for the league since they in turn must take action on the positions reached. League membership is open to any citizen 18 years or older. Those interested are invited to contact the membership chairperson, Linda Cassily, 7 Seville Way.

## Doherty Happenings

By Steve Mencis  
And Matt Corbett

The Doherty Junior High Student Council is holding their annual canned food drive the Greater Lawrence Salvation Army. Organizing the Thanksgiving project are chairpersons Matt Corbett and Jennifer Kasper with help from other council members. Each homeroom will compete to try to reach this year's goal of 3,400 cans. The drive runs Nov. 9-18.

In the planning stages is the second annual Powder Puff football game in which the ninth grade girls compete and members of the football team cheer them on. Nancy Lee and Melissa Morton are busy organizing this event scheduled for November 22.

Andover t-shirts were ordered in homeroom last week and should be delivered before Christmas. We hope this sale will add to our school treasury and promote school spirit.

Both teams in grade seven attended the Museum of Science last month and viewed a very interesting Planetarium show entitled "Space Junk." Team 7B also went on a field trip to Applecrest Orchards in Hampton, N.H. and later made apple pies and apple cider. Many

thanks to Mr. and Mrs. John Sullivan for opening their home to 7B students.

Selected as team 7B "Good Kids of the Week" were David Jaye, Ben Reilly, Heather Galvin and Laurie Hess. "Boy and Girl of the Month" on team 7A are Pauline Koh and Steve Gack.

The football team lost a close one to Dracut last Friday, but there were some excellent runs made by Ricky Lafond and Capt. Peter Barry and some fine defensive play by Capt. Mark Needham and Jim Regan.

The boys' soccer team, with a record of 7-3-1, continued to do well, closing their season with an overtime tie of 1-1 against West. Congratulations to all the boys, especially those ninth graders who played their final game for Doherty.

The field hockey team, captained by Nancy Lee, Katie Walsh and Gillian Recesso, had a fine season, ending with a 5-1-2 record. With a good number of returning starters, next year's team should continue their winning tradition.

Finally, grades close on Tuesday, Nov. 15, and the first term comes to an end. Report cards will be out by the end of the month.

## 'Annie' Cast Chosen

The North Reading Theatre Workshop, Inc. announces the cast for its early winter production of the hit Broadway musical, "Annie," directed and produced by Paul D. Greene of Andover.

Appearing in the title role of Annie is Caren Todisco of North Reading, supported by Andy Ohotnick of North Reading as Daddy Warbucks and Robin Redman of North Andover as his secretary, Grace. Mary Beagen of North Reading will portray the nasty, penny pinching orphanage "mother" Miss Hannigan, aided in her scheme to profit from Annie by Rooster and Lily, played by Tim Grover of Haverhill and Juli Wood of North Reading. Annie's "suite" mates at the orphanage include Susan Courtemance as Pepper, Robin Fiorentino as July, Jennifer Mos-

cone as Duffy Kim Maher as Kate and Heather Williams as Nellie, all of North Reading.

Rounding out the orphans are Ellen Sullivan and Robin Hessman of Andover playing the youngest orphan, Molly, and the cry-baby, Tessie, and Beth Kostopoulos of Wakefield as Minnie. Barry Garden of Wilmington and Don Awbrey of Methuen have been cast as President Roosevelt and the comic radio announcer, Bert Healy, both of whom are instrumental in initiating the search for Annie's missing parents.

"Annie" will be presented January 13, 14 and 15 at North Reading High School. For more information and to reserve tickets, contact the Greeses, 24 Haverhill St., North Reading.

## Flea Mart

The 2nd Annual Flea Market benefiting the March of Dimes will be held at Greater Lawrence Technical School, 57 River Road, Andover, Saturday and Sunday, Dec. 3 and 4th from 10 a.m. to 4 p.m.

Isabel Vaughan, Co-chairing the event with her husband Bill, announced that tables will be available to vendors at rates of \$15.00 for both days and \$10.00 for a single day.

The Flea Market will be enhanced by continuous raffles. "Merchants in Andover, Lawrence, North Andover and Methuen have been most cooperative," Isabel commented. Bill continued, "the store and restaurant owners are generously donating merchandise and gift certificates as raffle prizes."

One exciting raffle will be March of Dimes Holiday Raffle. First prize is a "Get-A-Way Weekend" donated by the Holiday Inn, Lawrence.

Anyone interested in minor information about the Flea Market, Holiday Raffle, or wanting to reserve a table, please contact the March of Dimes, 89 North Main Street, Andover.

## Crafts Fest

Yoland Mendez will join over 100 New England craftspeople exhibiting for sale their exciting array of crafts at the seventh annual Wellesley Marketplace Craft Festival, Saturday, Nov. 19, 9:30-4:40 at the Wellesley Senior High School.

Ms. Mendez, operating under the business name, Fabric Artworks, makes quilted and appliqued pillows, quilts, baby gifts, wall hangings and gifts for the home. She emphasizes colonial motifs and colors in her work. The whole Mendez family helps out in her shows which include the states of New Hampshire, Connecticut, Rhode Island, and Massachusetts. Yolanda also sells wholesale to several shops in different states.

Marketplace is sponsored by the Wellesley Hills Junior Women's Club for the benefit of their Scholarship fund and donations to local charities.

## Open House To Mark New Health Center Locale

The Greater Lawrence Family Health Center will celebrate its recent move to a new home at 150 Park St., Lawrence. All Greater Lawrence area residents are invited to an Open House on Wednesday, Nov. 16, from 5 p.m. to 7 p.m.

The former Assumption School has been renovated extensively to become a modern health care facility dedicated to family care.

The theme of the celebration, "The Move to Better Health," is reflected in the center's expanded medical services, larger professional staff and modern equipment.

The open house will feature tours of the building, an opportunity to meet with directors and staff, a ribbon-cutting ceremony with Mayor LeFebvre and other local officials and refreshments.

Rev. James P. Keller, director of the Greater Lawrence Ecumenical Area Ministry (GLEAM), serves as president of the center's board of directors. Influential in community services development, Keller has united business, neighborhood and health care interests to fill the need for total medical services in the Merrimack Valley.

"The center is designed to offer an unusual family-centered facility concerned with prevention of illness as well as treatment.

"Our health care is available to everyone regardless of family income or size. Fees are determined on a sliding scale according to ability to pay," explained Keller.

There are five physicians and one nurse practitioner offering all phases of medical care from obstetrics to geriatrics to more than 400 patients each week. The additions of prenatal services, nutrition information and health education counseling have combined to build total primary care.

According to Margaret Trainor, professional services director, future staff additions will include a second nurse practitioner and a nutritionist.

The original facility was opened in October 1979 at 81 Bradford St., Lawrence with one physician and three part-time CETA employees.

Leo McCarron, executive director, projects the number of 1982 patient visits to increase from 10,000 to at least 25,000 by 1984.

The center has non-profit status.

Following the Open House, the annual dinner meeting will be held at Bishop's Restaurant. Rep. Sue Tucker will be the speaker.

"Recognition will be given to the people who have worked to make the new center a reality and vital community health resource, concluded Keller.

## To Attend Convention

The Massachusetts Music Teachers Association will hold its 22nd Annual State convention at Wheaton College, Norton, on Saturday, Nov. 12. The evening concerts, beginning at 7:45 p.m. in the Watson Fine Arts Center, are free and open to the public.

Local MMTA members attending will be Kathy Harris and June Persing of Andover. Anyone interested in attending the convention may contact Kathy Harris.

Massachusetts Music Teachers Association is an affiliate of Music Teachers National Association with 20,000 member teachers throughout the country.

The Merrimack Valley Music Teachers Association will present Trudi Larson in a program examining the Suzuki Method at the home of Gill Macfarlane, 54 Woburn St., Reading, on November 21 at 10 a.m. For further information, contact Kathy Harris.

## Roast Beef Buffet Set

The Ballard Vale United Church will serve its annual roast beef buffet by candlelight on November 19 in Shaw Hall, 23 Clark Road, Andover, at 5:15 p.m. and 7 p.m.

An added feature will be the salad bar with many choices. There will be no waiting in line as folks may go to the salad bar when the doors open. The menu will consist of roast beef au jus, as you like it, oven browned potatoes, teriyaki chicken wings, green peas with pearl onion, squash cockaigne, gelatin salad, homemade rolls and butter, cream puffs with ice cream and chocolate or butterscotch sauce, coffee, tea or milk.

Mrs. Joyce Robinson, very experienced in food preparations with degrees in home economics education from Western Michigan College and Michigan State University, is chairwoman. Jane Scholtz is in charge of tickets and reservations, Doris Smith, posters, and John and Theda Logan will supervise the dining hall.

Reservations should be made in advance by calling Jane Scholtz, Florence Letters or Doris Smith as soon as possible. Tables may be reserved for parties of eight or more.

## Bazaar At St. Robert's

St. Robert Bellarmine Church of No. Tewksbury/West Andover will hold its annual Harvest Bazaar on Saturday, Nov. 19, in the parish hall from 10 a.m. to 3 p.m.

Co-Chairmen, Eileen D'Elia and Nancy Hartley have announced that there will be a new Children's Clothing Corner where parents can buy quality used clothing at reasonable prices. Pat Becker and Judy Marley have spent many hours pricing and sorting the clothes which range in size from three months to eight years. Another feature will be a live auction to be held from 11 til 2.

As in the past, Cathy Filosi's Craft Table will display a wide variety of hand crafted items. Another craft specialty is Carol DeStafano and Lynn Camarota's Christmas Booth featuring seasonal craft items, advent wreaths, and hand-made bread dough ornaments. The plant and book table, organized by Priscille Hardy, will offer an assortment of viewing and reading entertainment. Sharon Luti's Yarn Shop will be stocked with mittens, hats, and hand-made sweaters. Gen Lemieux will have clown dolls.

Shirley Daley's Bake Shop will tempt you with a wide assortment of home-

made pies, cakes, breads, cookies, jams, and pastries. Another new feature this year will be Pat LaPusata's wooden toy and wreath table. Sandi Merenda and family will brighten your life with tissue paper flowers and you are sure to find many surprises at Shirley Belisle's Mystery Table. Our second-hand shopkeeper Terry Pellicione has lots of merchandise for her White Elephant Table.

A special attraction of the Bazaar will be the Children's Room where our young shoppers can purchase gifts for their parents, teachers, and brothers and sisters. Sally Fiore and Cyndy Benoit are in charge. The parish Youth Group will be available throughout the day offering babysitting, face-painting, a game room, and many other services.

The Prize Pavillon, staffed by Rose Babine, will have a travel motif with a grand prize of a trip to Disneyworld for two. Other prizes include a Greek embroidered holiday table cloth and a Cuisinart Food Processor. There will also be turkey and cheer raffles as well as attendance prizes all day long.

Refreshments will be served throughout the day at John and Mim Wynn's Restaurant. For further information call the rectory.

## Council Offers Booklet

The Greater Lawrence Interfaith Council for a Nuclear Weapons Freeze is distributing copies of "A Viewer's Guide" for persons and groups who will be watching the ABC television production of "The Day After" on Sunday evening, Nov. 20.

Members of the Interfaith Council will be watching as well to plan a local workshop to be held in February with resources from the Physicians for Social Responsibility. Several churches in the area are planning group viewing and discussion.

The guide has been prepared by the Cultural Information Service, an independent, nonprofit, educational organization. They urge the reproduction of this resource for educational purposes. For a copy, contact the Interfaith Freeze group, c/o Greater Lawrence Ecumenical Area Ministry, 2 Wyman St., Lawrence, MA 01841.

## Pizza Party Is Planned

Plans for a December 3 pizza party will be discussed at Monday's meeting of the Mass. and Andover Sub Teen Age Republicans (STARS) boards at 11 Heather Drive at 4:45 p.m.

Reports will be given on distribution of posters and arrangements for the event by Kevin Mayberry, 9 Blueberry Circle, Andover, STARS chairman.

A report on special guests will be given by STARS adviser, Louise Hart, 11

Heather Drive.

Steven Battles, 43 Whittier St., will give a report on fundraising goals and plans, and James Robinson, 66 Chestnut St., will discuss an activities calendar for the two organizations.

A report on the petition drive will also be given.

The public is invited. For further information about STARS, contact Garrett Day, 11 Heather Drive.

## At Seminar

Three business teachers from the Andover public schools were guests recently at Burdett School in Boston. Priscilla Lucy of Andover West Jr. High, and Carmelina Galvagna and Debbie Madden of Andover High School attended the Seminar on "Keyboarding," and "Communications Issues for the 1980's."

## Archaeologist To Give Lecture To Historians

Black Lucy's Garden, Camp Maud Eaton and Turtle Mound will be the focus of a members' lecture by archaeologist Eugene Winter on Thursday, Nov. 17, at 8 p.m. at the Andover Historical Society, 97 Main St.

Black Lucy's Garden was tested in 1943 by Ripley Bullen and written up for the R.S. Peabody Foundation in Andover in 1978. It is the site of a small house occupied by a freed Black slave, Lucy Foster, who lived near Woburn Street, Andover, during the late 18th and mid-19th centuries. Her story and that of the archaeological dig are ones seldom investigated or written up by historians or prehistorians.

The Maud Eaton site is located along Pomp's Pond and represents a late Indian site also tested by Bullen in the 1940s.

Finally, Winter will offer two contrasting conclusions based on data gathered from a 1951 excavation of Turtle Mound near Haggett's Pond. This site, first studied by Frank Glynn, is a free form stone structure originally thought to be a burial site or "effigy mound."

Throughout his lecture Winter will indicate how the fields of history and archaeology are interrelated, how both

artifacts and historical documents are needed to complete a picture of the past.

This lecture is a part of a series offered to members of the Andover Historical Society and their guests. While this local history museum and library offers numerous public programs and services, it nevertheless relies heavily upon the financial and volunteer support of its membership. Membership dues are applied directly toward the general operating budget of the Andover Historical Society. In return, members receive the satisfaction of supporting an institution dedicated to local service. They receive a

quarterly local history newsletter, invitations to eight special lectures or open house events and notification of all museum or library programs, both public and membership. All persons interested in local history, antiques, collectibles or support of local services are welcome to join the Andover Historical Society, a non-profit organization open to both members and public. For information on open hours, exhibitions, tours, special events and membership, call the society office, open Monday through Friday from 9 a.m. to 5 p.m.

## Watercolorist To Be Guest Of Art Guild

The Andovers Artists guild will feature internationally known watercolorist Joseph L. C. Santoro of Watertown on Sunday, Nov. 13, at 2 p.m. at the North Parish Church, Old Center, North Andover.

Santoro is a member of the American Watercolor Society, National Academy of New York, Allied Artists, American Artists Professional League, New England Watercolor Society, Rockport Art Association and the North Shore Artists Association. His works have won more than 60 national awards as well as six gold medals. Many of his paintings depict scenes captured during his extensive travels throughout England, France, Portugal, Italy, Spain, Yugoslavia and Saudi Arabia. Many of his recent works include scenes of the American Southwest and of polo matches in which his talent for painting horses is seen. Some of his work is among the permanent collections of the Boston Museum of Fine Arts and the DeCordova Museum, Lincoln. He has contributed articles on his technique of watercolor painting to many Watson-Guptill publications and has been featured writer for the American Artists Magazine.

His education began at Rindge Tech in Cambridge and continued at Mass. College of Art. He has been a teacher at Emmanuel and Regis Colleges. He served for ten years on the Commonwealth of Massachusetts Art Commission. Santoro participated in boxing to earn his way through school.

There is a fee for non-members.

## Alumni Meet

The alumni association of the Essex Agricultural and Technical Institute will hold their semi-annual meeting on Saturday afternoon, Nov. 19, 2 p.m. in the Alumni Field House. The agenda will include election of officers for 1984 and a report on alumni and school activities.

All alumni are invited to attend this meeting.

## High School Presents Comedy

The Andover High School Drama Guild will present "The Great All American Musical Disaster," one of the funniest comedies written for the stage, this Thursday and Friday at 8 p.m. in the new Collins Center.

The story features a desperate Hollywood producer who conceives an ingenious idea. He sends each of Hollywood's great stars a different script in which they have the only major role and all of Hollywood's other stars have

tiny supporting roles.

A.J. Sullivan takes the lead as the producer with Christine McCarthy as his girl, Friday, Betsy Cornell as his comic receptionist and Karen Kulig as the young writer who is conned into writing dozens of versions of the same script.

Playing the stars are Sue Burke, Kristen James, Clay Gonzales, Bronwyn Niece, Dianne Bogusz, Maura King, Christine Bogusz, Tom Hollenbeck, Debbie Bartle, Greg Hopwood and Keith Tynan. Rounding out the cast are Michelle DeVoir, Anita Barbagallo, Julie Babagallo, David Pascucci, Susan Chapman, Biffy Marciano, Karyn Worthley, Beth Deacon, Bonnie McLellan, Carla Maggi, Ben Choi and Heather Taylor. Andy Shattuck is the stage manager and the technical crew includes Ken Flynn, Paul Salvi, Kevin Flynn, Ted Staats and Adam Kilodny.

The play will be the first one staged by the Drama Guild in the new Collins Center. Tickets will be on sale at the door.

## Christmas Shop Set

The Emerson Hospital Auxiliary announces the dates for the sixth annual "Christmas Shop". The Shop will be held at the Concord Armory, Everett Street, Friday, Nov. 11 and Saturday, Nov. 12 from 10 a.m. to 5 p.m. each day. Admission is free.

This year there will be 26 shops through which to browse and from which to choose unique Christmas gifts for family and friends. This is the perfect opportunity to start your holiday shopping and, at the same time, to support the Auxiliaries from eight different communities in this major fund raising activity on behalf of Emerson Hospital.

## ACT Musical To Open

Andover Community Theatre (ACT), in conjunction with the Department of Community Services, will present the musical vaudeville "Chicago" on November 11, 12, 18 and 19 at the Doherty Junior High School, Bartlett Street, Andover, at 8 p.m.

"Chicago" is a fast paced musical that takes place in the Roaring '20s. Roxie Hart, who murders a faithless lover, and sister murderess, Velma Kelly, are headline hunters seeking to capitalize on pre-trial publicity for the sake of acquittal and stage careers. The story is told through a succession of vaudeville acts, including a trial in which Roxie is defended by the slickest lawyer in town, Billy Flynn.

The play, which received rave reviews on Broadway, was written by Fred Ebb and Bob Fosse and the musical score was

composed by John Kander.

"Chicago" is directed and choreographed by James J. Girgenti and produced by Thomas A. Kirkman. Musical director is E. Michael Boutin and the technical staff is under the direction of William Brackett with Pam Lemieux assisting.

The cast features Maureen Brackett, Steve Halle, Maribeth Hinderer, Ben Pascucci, Marianne Karp, F.S. Scott, Janet Alberich, Skip Alberich, Daniel Beaulieu, Liz Davey, Dianne Delucia, Michele Kylis, Kathleen Luther, Mary Ellen Marino, Dan McDuffie, Jose Parron and Alice Pascucci.

"Chicago," ACT's 1983-84 adult season opener, continues the tradition of offering a variety of children's and adult's production seldom tackled by community theatre.

# Town Was Alive With Music

Andover was truly alive with the "sound of music" on Sunday, as more than 1,700 band members representing 16 high schools from Massachusetts, New Hampshire and Connecticut competed in the fourth Annual Invitational Marching Band Competition sponsored by the Andover Band Association.

In what can only be described as the largest and most exciting band competition ever held in Andover, this event started at 11 a.m. and ended at 4 p.m. with a closing ceremony and presentation of awards. As each band performed their 8 and 1/2 to 12 minute field show, the next band to compete eagerly waited at the gate to enter the field for competition.

Class C bands were the first to compete and Spaulding High School from Rochester, N.H., received the first-place trophy with a score of 69 points. They were also the recipients of the High Music Score award. Closely following in second place was North Reading with 68.50 points and they received the best Color Guard and Best Drum Major awards. Wakefield placed third with 62.40 and received the Best Percussion award.

Andover, while not finishing in the top three, placed fourth with a score of 61.20, the highest they have ever received in the three years they have been competitively marching and clearly demonstrates progress.

Methuen, with a score of 70.20, made a "clean sweep" in the Class B contest, capturing first place, Best Drum Major, Best Color Guard, Best Percussion and High Music Score. Bishop Feehan from Attleboro came in second with 48.70 points and Haverhill captured third place with a score of 47.90.

The Class A first-place trophy was won by Malden High School with 70.50 points. They presented a crowd-pleasing field show and received additional trophies for Best Drum Major and Best Percussion. Killingly High School from Danielson, Conn., captured second place with 66.80 points and the High Music Score award. Somerset only .70 points behind Killingly with 66.10 points placed third and was awarded the Best Color Guard trophy.

Hundreds of spectators enjoyed the afternoon of music and lively competition and Douglas Snow, president of the Andover Band Association, expressed his gratitude to sponsors, band parents and friends of the band for their support and hard work which helped to make this event such a success.

The competition committee consisted of Hugh Hess and Snow, general chairman; Barbara Snow, program; Betty Chapman, publicity; Ted and Barbara Surdam, refreshments; Alan Gable, finance; Fred and Janis Gorman, logistics; and Bob Mirisola, 50/50 raffle.

## Weekend Concerts At Academy

The music department of Phillips Academy will present two concerts this coming weekend at the academy.

A Chamber Music Recital will be performed by Eric Thomas, clarinet, William Thomas, cello, and Dragana Bajalovic, piano, in Graves Hall on Friday, Nov. 11, at 8 p.m.

## Concert

On Sunday, Nov. 13, the Peabody Museum of Salem will host a concert which is the perfect accompaniment to the Museum's newest exhibit, "Steam and the Sea."

The program will feature Glinka's "Trio Pathétique" and Brahms' "Trio in A minor for Clarinet, Cello and Piano."

Bajalovic, a native of Yugoslavia, is a graduate of Oberlin Conservatory. She has performed extensively in the New England area and is on the faculty at New England Conservatory. Eric Thomas is a member of the academy's music department and William Thomas is the chairman of the music department.

On Sunday, Nov. 13, at 3 p.m. there will be a concert in the Addison Gallery featuring Peggy Pearson, oboe, and Martin Amlin, piano. The program will include the works of Bach, Britten, Chopin, Hindemith and Pachelbel.

Pearson is a member of the Emmanuel Church Bach Orchestra and Emmanuel Wind Quintet in Boston. She is also a member of the Handel/Haydn Society and a member of the faculty at Boston Conservatory.

Amlin is a member of the music faculties at Phillips Exeter Academy and at Boston University. He received his DMA degree and performance certificate at the Eastman School of Music. He was the recipient of an ASCAP grant to young composers in 1983.

The public is invited.

The Program, "Songs Of The Steamships," will feature an afternoon of rousing songs from the 19th century, sung by Folkway recording artists Tom Goux and Jacek Sulanowski. Much of the music comes directly from the Museum's Driscoll Collection of Steamship Songs and has not been performed in years.

Both Goux and Sulanowski have participated in several sea music festivals—in New England and on the West Coast. Through teaching and performing, the gentlemen hope to promote an interest in preserving the special quality of sea songs.

The concert begins at 3 p.m. and will be held in East India Marine Hall. No charge about Museum admission; members free. The concert is most suitable for families with children over the age of five.

## In Japan

Marine 2nd Lt. Sharon J. Baker, daughter of Roland J. Baker of 71 Central St., Andover, Mass., has reported for duty at Marine Corps Air Station, Iwakuni, Japan.

## Dinner Dance

The Austin Athletic Association will sponsor a November Frolic dinner dance at Austin Preparatory School, 101 Willow St., Reading, November 19.

An open bar and a roast beef dinner will be served. Music will be by Fantasy.

Raffles will include a get-away weekend for two, playoff tickets to a Bruins and Celtics game and two tickets to a Boston theatre play.

for Regional Ballet, the company attends the Northeast Regional Ballet Festival each spring.

## Christmas Tour Guild Schedules

The Homeworks Guild of Andover will hold their Second Annual Christmas Tour December 2 and 3.

The guild was formed last year as a way to make local cottage industry more accessible to the

community. Composed of artists and craftspeople, members gather in Andover homes to display and sell their works. Community response has prompted the guild to expand its membership and provide an array of home-based products.

## Admission

Applications are being accepted for January 1984 admission to the two-year college division at Essex Agricultural and Technical Institute. The course of study include classroom, laboratory and on-the-job training leading to the associate degree in applied science.

Programs offered for this semester include food science and nutrition, which qualify students for positions as dietary supervisors, quality control and regulatory inspectors and laboratory technicians, floriculture and floral design, horticulture and landscape design, fashion retailing and illustration, greenhouse production and management.

High school graduates should call or write the admissions office at Essex Agricultural and Technical Institute, Haverhill, MA 01937, for enrollment information.

# THE DOUBLE PROFIT IRA

## EARN MORE INTEREST AND LETS YOU PAY LOWER TAXES

☐ There's a double benefit to opening or adding to your IRA at Lawrence Savings Bank. You'll earn a very competitive interest rate. And you'll save in taxes.

## A CHOICE OF HIGH-PAYING INVESTMENTS

☐ At Lawrence Savings Bank you have a choice of three investment options for your IRA. Select from them according to the amount you'd like to deposit and the terms of the certificate. All of these accounts give you high current-market rates. And you can transfer between accounts as your certificates mature.

## TAX BENEFITS

☐ For the tax year 1983 — and until April 15, 1984 — you can de-

duct up to \$2,000 from your taxable income with a regular IRA. For couples with one non-working spouse, the limit is \$2,250. If both spouses work, it's \$4,000.

You won't pay Federal taxes on your savings as your IRA grows. And you can begin to make withdrawals as early as age 59½. Then, only the amounts you withdraw are taxed by the IRS.

## OPEN, ADD TO, OR MOVE YOUR IRA TO LAWRENCE SAVINGS BANK

☐ Start saving for your retirement today. For details on how to open, add to, or move your IRA to Lawrence Savings Bank, call us at 687-1131. Or stop by any branch office today.

Remember, your IRA from Lawrence Savings Bank is insured in full. And we have SEP and Keogh plans available, too. See us for details.

## Craft Fest

Yoland Mendez will join over 100 New England craftspeople exhibiting for sale their exciting array of crafts at the seventh annual Wellesley Marketplace Craft Festival, Saturday, Nov. 19, 9:30 a.m. to 4 p.m. at the Wellesley Senior High School.

Ms. Mendez, operating under the business name Fabric Artworks, makes quilted and appliqued pillows, quilts, baby gifts, wall hangings and gifts for the home. She emphasizes Colonial motifs and colors in her work. The whole Mendez family helps out in her shows which include the states of New Hampshire, Connecticut, Rhode Island and Massachusetts. Yolanda also sells wholesale to several shops in different states.

Marketplace is sponsored by the Wellesley Hills Junior Women's Club for the benefit of their scholarship fund and donations to local charities.

## Alumni Meet

The alumni association of the Essex Agricultural and Technical Institute will hold their semi-annual meeting on Saturday afternoon, Nov. 19, 2 p.m. in the Alumni Field House. The agenda will include election of officers for 1984 and a report on alumni and school activities.

All alumni are invited to attend this meeting.

## Collins Arts Center Offers Entertainment Alternative

Interest in entertainment is on the rise across the state, but so are ticket prices. One has only to go a short distance down I-93 to Boston to find new record prices for theatre and entertainment tickets—some as high now as \$45 for a single ticket. Merrimack Valley residents have discovered a new alternative.

With the opening of the fully appointed J. Everett Collins Center for the Performing Arts, Shawsheen Road, Andover, off Route 133, Merrimack Valley residents now can enjoy top-notch theatre, dance and music events for a fraction of the cost of attending events in Boston or New York.

The inaugural presentation at the new center, the Boston Pops, drew sell-out crowds for the comfortable and acoustically acclaimed facility. With the dedication of the new Performing Arts Center, the Andover Endowment for the Arts, the presentational organization responsible for booking in the popular events, began selling space in their program booklet to local companies and businesses and launched a fund drive to underwrite the costs of bringing in first-class entertainment.

People interested in the arts and an expanded cultural resource for the Merrimack Valley, as represented by the J. Everett Collins Center, are being asked to make a tax deductible contribution to continue the presentational and educational work of the Andover Endowment for the Arts. The companies and artists presented at the center are nationally and internationally known and are selected for their artistic merit and to present a well-balanced season to local patrons.

The J. Everett Collins Performing Arts Center location, on the campus of Andover High School, allows for a close working relationship between the Andover Endowment for the Arts and community educators. With the introduction of some of the world's finest artists appearing at the center, students have the opportunity of meeting with and learning from outstanding professionals in the worlds of theatre,

music and dance. Educational programs involving local young people are an integral part of the presentational plans of the Collins Center and the Andover Endowment for the Arts.

Merrimack Valley residents may purchase season tickets for all of the presentations being brought into the Collins Center. By purchasing season tickets, subscribers are guaranteed the best possible seats, save 15 percent over regular box office prices and are entitled to a ten percent discount on any additional tickets ordered. The season ticket plan is a worthwhile investment and is an important source of support for the Presentations Program at the center.

Season ticket holders and those who make tax deductible contributions to the Andover Endowment for the Arts will make up a financial base vital for continued programs and presentations at the center.

So far there has been an overwhelming popular response to the opening of the new J. Everett Collins Center for the Performing Arts. To support the facility and enjoy the best in music, theatre and dance, call 470-1905 to purchase season tickets for all seven remaining events or receive information on the alternative six-event or four-event series plans. Single tickets are also available, and tax deductible contributions will be gratefully accepted by the Andover Endowment for the Arts for the continued underwriting necessary to provide top quality presentations and educational programs.

Coming events include: Mandala Folk Dance Ensemble, Saturday, Dec. 3, 8 p.m.; Tom Rush, Saturday, Jan. 14, 8 p.m.; Boris Goldovsky Opera Highlights, Sunday, Jan. 29, 3 p.m.; A Night of Country Music, Friday, Feb. 17, 8 p.m.; "Joseph and His Amazing Technicolor Dreamcoat" (Broadway production), Tuesday, March 13, 8 p.m. The New Black Eagle Jazz Band, Saturday, April 28, 8 p.m.; and Best of Jacob's Pillow (featuring the Eliza Monte Dance Co.), Saturday, May 19, 8 p.m.

## Harvest Festival At Sanborn

Sanborn students are making ready for their fifth annual Harvest Festival which starts November 14.

Maureen Wood, chairperson, and her assistants, Dee Lamanna and Larry Brylczyk, say that the members of the Girl Scout troop are decorating boxes and the Brownie troop are designing gift cards while the art classes are decorating the school halls for a grand assembly on November 17 with invited guests from The Haven and Dr. Seifert.

On Friday boxes will be packed with canned foods, baked goodies and plants brought in by the children during the week to be delivered by the sixth graders to 75 elderly people in Andover.

The average pencil has enough graphite to draw a line at least 35 miles long.

## Class Of '78 Planning Reunion

The Class of 1978 will hold their fifth reunion on Friday, Nov. 25, at 6:30 p.m. at the Andover Country Club with a dinner and dance. Tickets may be purchased at Thompsons. For further information, contact Brian Bresnahan or Kate Normandy.

## Hearings Begin Today On Hoop Coach Appointment

By Sue Aucella Deacon

Representatives of the Andover Education Association (AEA) will present their arguments against the appointment of a new high school basketball coach in a grievance hearing before the school superintendent this afternoon.

The teachers' union is opposed to the appointment of Thomas Ryser, Tewksbury resident and Medford physical education instructor, to replace Wil Hixon, who will retire from his position as high school basketball coach this year.

Following the School Committee's appointment of Ryser last week, AEA President Stephen Jankauskas said the appointment violated an article in the new teachers' contract recently approved by the committee.

According to Jankauskas, that article states that Andover school department employees will be given preference in filling extra-curricular positions. A number of Andover employees applied for the position, Jankauskas said, pointing out that Ryser is not an Andover employee.

Jankauskas said the union will try to learn what procedure was used in selecting the new coach and why someone was chosen from outside the Andover system.

Superintendent Kenneth Seifert said yesterday he would hear arguments from the education association and from acting athletic program advisor Richard Bourdelais. The superintendent said he would reach a decision in three to five days.

If the AEA rejects that decision, they can bring their grievance before the school committee, Seifert explained. And, if they reject the committee's decision, the question can then go to arbitration.

Last week Jankauskas urged the committee to postpone appointing Ryser until the grievance was heard. However, the committee indicated it would prefer to make the appointment now and make a change later if necessary.

## Dodd Realty Firm Merges

Lee Dodd of Lee Dodd Realty, 68 Park St., Andover, has announced with Craig Foster that she has merged her firm with the Foster & Foster organization. Citing the need for expanded services in an increasingly competitive and demanding field, she said that the Foster & Foster organization, with 14 offices and annual sales in excess of \$150,000,000 will bring a new dimension of real estate service to the Andover market place. In addition to Foster & Foster's membership in seven multiple listing services, the merger will add services such as a full service corporate relocation department, real estate investment division, a mortgage banking division offering a myriad of short and

long term first and second mortgages including bridge financing for listing clients as well as a network of 15 offices to assist in locating buyers throughout the north and west of Boston market areas.

Lee Dodd, who has achieved the C.R.B. and C.R.S. designations awarded by the National Association of Realtors, has been active in the Andover real estate market since 1957 and proprietor of the firm which bears her name since 1964. Lee has supported professionalism in the Greater Lawrence area as a director of the board of realtors, member of the Professional Standards Committee and of numerous service groups. In addition to her professional affiliation, she has supported the community as a member of the Chamber of Commerce, League of Women Voters, National Organization of Women, Greater Lawrence Business and Professional Women's Association and the Andover Committee of the Appalachian Mountain Club.

The combination of the services available through the Foster & Foster organization together with the market knowledge contained in the local firm's 25 years of experience will bring to the Andover market an unprecedented high level of service in the field of residential brokerage.

The Foster & Foster Training Program, as well as its brokerage support system and financing programs will be immediately available to the existing staff of the Lee Dodd Agency as well as any new licensed or unlicensed sales associates who wish to avail themselves of the services.

## Mrs. Farrington Elected President Of Auxiliary

More than 150 members of the Bon Secours Hospital Auxiliary were present at the annual meeting held recently in the auditorium of the Cardinal Cushing building at the hospital. Outgoing president, Doris McGovern greeted the members and congratulated them on their outstanding support of events which allowed the recent gift of more than \$106,000 from the auxiliary treasury to the hospital. New president, Ellen Farrington, was introduced and announced a series of events which will include a fall program of holiday table settings, the 'Bon Bonanza' and a St. Patrick's Day luncheon.

Additional officers for the 1983-84 year will be Mrs. Herbert J. Hatem, first vice president; Mrs. Ernest Costello, second vice president; Mrs. John Torrey,

corresponding secretary; Mrs. Thomas Firth, recording secretary; Mrs. Dante DeLellis, treasurer; and Mrs. Joseph T. Quintal, assistant treasurer. ## Gardeners Win Awards

Members of the Andover Garden Club represented their organization with distinction at the 10-day Topsfield Fair in October at the Standard Flower Show sponsored by the Garden Club Federation of Massachusetts. The Federation selected as its theme "Creating Moods."

Mrs. Alfred Syiek of 6 Fulton Road won a blue ribbon and a tri-color ribbon in the "Creating the Mood of Decorating" class. She employed wallpaper, contrasting material, bittersweet, dusty miller and marigolds in a creation which secured the blue ribbon for the class and the tri-color award for "Best of Show in Fresh Flower Arrangement."

Mrs. Dean R. Swan of 13 Smithshire Estates secured a prize for "Daring Mood" in a dramatic arrangement combining mitsumata branches, celosia, grass and maribou feathers.

Mrs. Richard Boucher of 11 Stinson Road was cited for "a daring concept achieved through the use of diverse form, color and texture" in her entry in the

"Daring Mood" class. She blended enymous altus and South American pods in a red and charcoal grey arrangement to win a blue ribbon. Another entry in the "Romantic Mood" class garnered a second place honor. Mrs. Boucher used a dual container displaying orchids and eucalyptus.

The Andover Garden Club was originally a department of the Andover November Club. As part of its program it staged annually a Farm and Garden Conference. In 1927 the members of the department organized a separate club under the name of the Andover Garden Club. Fifteen members attended a meeting in Mrs. Fred Chandler's garden at 148 Main St. on Sept. 27, 1927. The club joined the Garden Club Federation of Massachusetts in 1929 and is also a member of the National Council of State Garden Clubs. Now, in its 56th year, with Mrs. John T. Batal, Jr. as president, the club has expanded from 15 members to 150. The club holds monthly meetings at the November Club in downtown Andover.

## Cook-Palmieri

Mr. and Mrs. Frederick A. Cook, Jr.

Elaine Patricia Palmieri, the daughter of Mrs. Edward Joseph Palmieri of Andover and the late Mr. Palmieri, became the bride of Frederick A. Cook, Jr., the son of Mr. and Mrs. Frederick A. Cook of Wakefield, at Goddard Chapel, Tufts University.

The Rev. Thomas Foley officiated at the 1:30 p.m. Nuptial Mass.

The bride was given in marriage by her two brothers, Edward Joseph of Andover and James John of Lynnfield.

She wore a white nylon organza gown with a bertha collar, the nubline and bodice trimmed with re-embroidered alencon lace with seeded pearl. The full-length skirt and cathedral train were edged with the same lace and seeded pearls with satin ribbon at the waist and bordering the hemline. Her silk illusion veiling, edged in schiffley embroidery, fell from a crown of flowers and baby's breath.

Ann L. Palmieri, sister of the bride, was maid of honor. Bridesmaids were Audrey Coulthard Palmieri, Kathleen White Palmieri and Joanne Cook Chapman, sisters-in-law of the bride. The wore gowns of sea foam green chiffon.

John E. Chapman of Shrewsbury, the groom's brother-in-law, was best man. Ushers were John J. Collins of Boston, Charles R. Hassan of Cincinnati, Ohio,

Gordon R. Granger, Jr. of East Granby, CT, and Thomas A. Byrne of West Hartford, CT.

Adam D. Handler of New York City was the soloist.

A reception was held at the Lanam Club, Andover.

The bride was awarded an undergraduate degree from Tufts University and received a master's degree from the Rhode Island School of Design. She is a freelance textile designer.

Her husband, a graduate of Tufts University, holds degrees in chemistry and mechanical engineering. He is a design engineer for Mossberg & Sons, Inc. of Connecticut.

Following a wedding trip to Bermuda, the couple is living in Branford, CT.

## Miller-Maguire

Mr. and Mrs. William I. Miller

Lynne M. Maguire, the daughter of Mr. and Mrs. Robert E. Maguire of Andover, was married to William I. Miller, the son of Mr. and Mrs. J. Irwin Miller of Columbus, Indiana, on October 29 at St. Joseph's Church, Andover.

Deacon John Capomaccio of Andover and Rev. Jim Joseph of Washington, D.C., officiated at the noon ceremony.

The bride was given in marriage by her parents. Judith Maguire was maid of honor for her sister. Bridesmaids were Kathleen Kroll of Cambridge, Leslie Jewett of New York City, and Nancy Burrus of Palo Alto, Calif.

Hugh Miller of Cambridge, the groom's brother, was best man. Ushers were Ste-

ven Maguire of Medford, Joel Horn of Washington, D.C., William Scovin and Paul Klingenstein of New York City and David Brunner of London.

A reception was held following the ceremony at the Lanam Club.

The bride graduated from Nazareth Academy, Tufts University and the Stanford Graduate School of Business. She was employed by Benson and Bowles of New York City as an advertising account executive.

The groom graduated from Yale College and the Stanford Graduate School of Business. He is an investment manager.

Following a trip to the South Pacific, the couple will reside in Columbus, Indiana.

## Observes Anniversary At Church

Keith Gould

Keith Gould joined the staff at South Church as director of music 25 years ago. As the Sunday Bulletin, dated Sept. 7, 1958, stated: "He is man of proven ability, he is thoroughly prepared for his office, and possesses a most engaging and enjoyable personality. Everyone will like him and want him to like his work here. The most favorable impression that can possibly be made upon him, however, will be made by those who now belong and who come to belong to his choirs. Let all who sing be the first to greet him." After 25 years of faithful service, the words stand firm. Mr. Gould is respected and admired by all who know him and work with him.

Mr. Gould was honored recently during Worship at South Church. The choir added special words to the anthem giving thanks for the good work of Keith Gould. During coffee hour in Fellowship Hall, a presentation was made of a certificate

commemorating 25 years of service and signed by all the committee chairpeople and clergy of the church. As an expression of appreciation from South Church, Mr. Gould and his wife, Lois, will attend a week-long seminar for church organists in Fort Lauderdale, Fla., during January 1984.

Under the leadership Mr. Gould provides, South Church enjoys a variety of music and performing units. He directs the Sanctuary Choir, the Contemporary Choir and the Junior High Bell Choir, oversees the Cherub Choir and is responsible for the many performing arts used in worship. The introduction of a new Arts Series will begin Tuesday, Dec. 13, with the National Council of Afro-American Artists production of "Black Nativity."

While the church is a major part of Gould's life, he is equally known for his role as director of the Andover High choral program.

## To Host Christmas School

Faith Lutheran Church, 360 S. Main St., Andover, will again host Christmas School for four and five-year olds during the week of December 5-9 from 9:30 a.m. to 11:15 a.m.

Christmas School is an ecumenical endeavor with women from the Andover area churches volunteering to teach the religious significance of Christmas. The children will learn about angels, shepherds, wisemen and the events leading to the birth of Jesus Christ.

Through stories, songs, puppets and craft activities, the children learn that there is much more to Christmas than "Jingle Bells" and Santa Claus.

The week culminates with all the children taking part in a re-enactment of the Nativity, complete with angel choir. Family and friends are invited to this performance.

Registration is through Mrs. Terry Shettel, 101 Central St., Andover, before November 23. Enrollment is limited to the first 50 children to apply.

## TWIGS Meets

Today's Women in God's Service will hold their next meeting on Monday, Nov. 14. Members, guests and anyone interested is invited to meet at 10 a.m. at the Andover Historical Society on Main Street. The program will be "Main Street Andover Through the Ages." Babysitting will be available.

## Introducing the education account that puts college within reach of your child.

The experience of watching your child grow is wonderful. What  
isn't so wonderful is watching the costs of higher education grow, too.  
That's where the BayBanks Education Account can help.

### Less taxing because you pay less tax.

The BayBanks Education Account is  
designed so the interest earned on the money  
you give your child over the years is taxed at  
your child's rate, which may be substantially  
lower than your own. With a yearly invest-  
ment of \$1,000, the chart shows you just how  
significant the difference can be. Further, you  
can give each of your children up to \$10,000  
each year, free of Federal gift taxes.

In addition, you can choose from a variety  
of time deposits to best meet your budget  
and goals. Plus, we'll help make it easy to

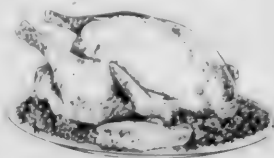

manage by providing you with a semi-annual statement detailing all  
account activity.

So visit your nearest BayBank office or call the BayBanks Hotline  
toll-free at 1-800-342-8888 and ask about the BayBanks Education  
Account. Because the future is getting closer every day.

Withdrawals prior to maturity, change time deposit require the consent of the bank at that time. Substantial penalty.

## To Conduct Program At Church

St. Augustine's Roman Catholic Church, Essex Street, Andover, has planned a Day of Recollection for Sunday, Nov. 20, from 5 p.m. to 9 p.m. at the church.

Rev. Patrick Mooney of The Catholic Center in Bridgeport, Conn., will conduct the program which will have as its theme "Taking Time to See and Hear the Advent Message." Fr. Mooney has gained fame with his programs due to his dynamic method of delivering his message. Using a 20-foot screen, two projectors, a dissolve unit and an amplified sound system, the viewer is exposed to a life-enriching and often challenging experience. He makes the point that contemporary humankind, because of the impact of electronic media on the human psyche, can no longer relate in a purely linear way. Fr. Mooney utilizes these modern systems of communication to effectively relate the good news of the church.

Fr. Mooney was born in County Laois, Ireland. He is a graduate of the Catholic University of America and was ordained a Roman Catholic priest in 1966. He obtained a masters degree in Communications from Fairfield University in 1976. Fr. Mooney is involved in the creation and presentation of original multimedia prayer experience programs which he

photographs, writes and narrates. He is also the author of the book "Praise to the Lord of the Morning" published by Ave Maria Press.

## Program On Stress At Hospital

What causes stress and how individuals respond to it will be the focus of Bon Secours Hospital's November Healthy Issues program titled "Stress Attack? Fight Back!" on Wednesday, Nov. 16. This program will provide participants with hands-on information regarding common yoga, massage and general relaxation techniques that can be used to reduce stress.

The program's speakers from Bon Secours Hospital include Carolyn Forgiione, R.N., B.S.N., patient educator from the department of education; Mary Moore, R.N., certified yoga instructor and staff nurse; and Ralph Maxwell, massage therapist, psychiatric assistant. Participants are encouraged to wear comfortable clothing and participate in the yoga and relaxation exercises.

Bon Secours Hospital's Healthy Issues programs are offered free of charge as a public service and meet monthly at 7:30 p.m. in the hospital's auditorium. For more information, contact the hospital's community relations department.

## Rev. Taylor To Visit Vale Church

### Heavy Damage

Investigation is continuing into the cause of the fire which heavily damaged the home of Robert and Ann Dawley, 2 Copley Drive last Friday. Andover firefighters responded to the call at 11:32 a.m. and found the home fully involved on their arrival. The fire apparently started in the rear of the house where a firefighter plays a stream of water on the charred ruins. At right, the snorkel maneuvers a firefighter into better position. There were no injuries and no one was at home at the time of the blaze.

## Raytheon Project Approved

The Massachusetts Industrial Finance Agency has approved a \$1 million low interest, industrial revenue bond for a construction project by The Raytheon Company in Andover. The project will create an estimated 124 new jobs.

Raytheon will use proceeds from the bond to construct a 115,000 square-foot research, development and manufacturing building adjacent to an existing 1,041,000 square-foot building on a 7.5-acre site on Lowell Street. The project will enable the company to expand a specific area of operations.

Raytheon designs and manufactures electronics, aircraft products, energy services and major appliances in Lexington. The company intends to use the new

facility for the development and manufacturing of Very High Speed Integrated Circuit (VHSIC) technology products.

The Andover Industrial Development Financing Authority (IDFA) will issue the bond.

At last week's board of directors meeting, MIFA approved over \$40 million in bonds for 21 industrial expansion and downtown revitalization projects across the state. These projects will create an estimated 683 new, permanent jobs.

"The variety of projects approved this month reflects increasing confidence in the economy," said Marijo McCarthy, acting executive director of MIFA. "MIFA will continue to contribute to this economic recovery

## Asst. Supt. Mitsakos Leaving; Position Won't Be Filled

Assistant School Superintendent Charles L. Mitsakos will leave the Andover school department at the end of this year to become superintendent of schools in Winchester starting Jan. 3.

Superintendent Kenneth Seifert said yesterday the assistant superintendent's position would not immediately be filled, and that discussion of steps to fill the position would be "premature" at this time. One of the assistant superintendent's major responsibilities is curriculum development and supervision.

Mitsakos was appointed to the assistant superintendent's position in April 1978. Before coming to Andover, he was a social studies coordinator consultant for the Chelmsford school system. A graduate of the University of Lowell, he has also taught social studies and served as a social studies curriculum specialist in Lexington; and as a staff member and lecturer at the University of North Carolina at Greensboro, Boston University, Fitchburg State College and Brandeis University, among other institutions.

Mitsakos said yesterday that serving in Andover has been "a stimulating experience, what with the tax cap, Proposition

2 1/2, and two school closings."

He cited the development of a number of programs during his years in Andover, including the secondary school building program, "long-term approaches to academic programs, and educational computing, which will bring Andover into the future."

The assistant superintendent said he has also enjoyed the cooperation between the schools and other community organizations, such as ABC and the Andover Historical Society, which helped develop a local history program in the schools. Mitsakos also praised the "general support and commitment" between the school department and Board of Selectmen, and all of Andover's boards and committees.

"I'm appreciative of the opportunity for growth I've had here, and my association with Superintendent Seifert, who is an exceptional individual and a positive role model," Mitsakos said.

He added that he looks forward to "facing challenges" in Winchester's schools similar to those in Andover, including declining enrollments and budget cutbacks.

## Preliminary Plans Approved For River Road Office Park

The Planning Board has approved preliminary plans for Riverside Park, a 32-acre research and development office park off River Road, proposed for a site adjacent to the Greater Lawrence Regional Vocational Technical School.

Community Development and Planning Director Jonathan Gilmore Tuesday night told the planners he expects the developer, McNeil and Associates of Westwood, to submit definitive plans for the 265,000-square foot office park within three weeks. The developers hope to break ground on the project next spring, Gilmore said.

The site is located to the rear of property fronting on River Road owned by Russell Doyle, who will build a lumber yard on his property. McNeil and Associates plan to build five or six single-story buildings on their site, which is zoned Industrial A.

Also during this week's meeting, the planners were told that traffic that would be generated by a 70-lot cluster subdivision off River Road, Pleasant Street and Boutwell Road would probably have "no significant impact" on that area.

Kenneth Petraglia, traffic consultant for Vanasse/Hangen Associates, Boston, told the board he did not expect the proposed Quail Crest subdivision to create traffic problems in the River Road-Pleasant Street area. The consultant completed

the traffic study for the town.

The planners approved preliminary plans for Quail Crest, proposed by developers F & ID Corp. and Raven Realty Trust, in September. Plans for the 83-acre site call for a roadway looping off River Street, with four cul-de-sacs off that roadway; an eight-lot cul-de-sac off Pleasant Street; and a six-lot cul-de-sac off Boutwell Road.

Petraglia said he found there are an average of 2,400 vehicle trips per day along River Road in the subdivision area, with 200 trips during peak hours; 450 trips along Pleasant Street, with 30 to 40 trips at peak hours; and 500 trips along Boutwell Road, with 40 to 50 trips at peak hours.

The consultant estimated that Quail Crest will generate a total of 500 vehicle trips per day for the entire subdivision, with 70 trips at peak hours. He concluded that the development will have "no significant impact (on the area) based on traffic."

He recommended, however, that stop signs be placed at the two points where the new subdivision roadway will meet River Road; and that the treeline be cleared along part of Boutwell Road to provide better sight distances for drivers entering Boutwell from the new subdivision roadway off Boutwell.

Planning Board Chairman Margaret

Bradshaw noted that the consultant had been asked to look at traffic that would

be generated by the proposed subdivision, and not at general traffic conditions

## Annual Veterans' Tribute Friday

Veterans' Day Memorial Services will be held Friday morning in Spring Grove Cemetery at the American Legion Monument and at the Korean and Vietnam Monument in Ballardvale.

Ceremonies will begin at 11 a.m. at Spring Grove Cemetery, and at 11:30 at Ballardvale Green, where all Andover's Vietnam veterans will also be honored. Ten trees have been planted on the green along Andover Street to honor those who lost their lives in Korea and Vietnam, and during the memorial services dogtags will be placed on those trees.

During the ceremonies, the Greater Lawrence Musicians Union Band Local 372 will play the National Anthem. Patrick Flynn, Commander, V.F.W. Chapter 2128, will offer opening remarks, and the V.F.W. chaplain will offer opening prayers.

The Rev. Dennis Kohl of Faith Lutheran Church will offer the eulogy at Spring Grove Cemetery, and Richard J. Bowen will offer the eulogy in Ballardvale.

The Andover Boy Scouts will conduct the tree dedication in Ballardvale, along with Commander Flynn. Clarence Johnson, American Legion Post 8, will place the memorial wreaths. The American Legion, V.F.W. and Andover Company of Militia firing squad will fire the Volley to the Dead, and a student from Andover High School will play Taps. The Musicians Union Band will then close the ceremonies with a hymn.

All participants will meet in Veterans' Headquarters Hall at 10 a.m. to form the firing squad and color guard before proceeding to Spring Grove. Following the ceremonies, a buffet luncheon will be held at the Elks Lodge, 400 South Main St., for participants.

## WEEKLY SPECIAL

Personal feud may have aided  
overthrow of Marxism on GrenadaBy Jack Anderson  
and Joe Spear

WASHINGTON — There's an untold story behind the dramatic events on the Caribbean island of Grenada. It is the tale of two women, both of them fiery, left-wing radicals.

Their personal feud helped to bring down the Marxist government of Grenada. It was a classic Stalinist purge that led Grenada's neighbors to collaborate with the United States in forming a six-nation invasion force.

The chain of events that culminated in the invasion may have started with a bitter battle between Prime Minister Maurice Bishop's mistress, Jacqueline Creft, and Deputy Prime Minister Bernard Coard's wife, Phyllis. Intelligence sources say that ideological and personal differences between the two women stirred up tension between the two leaders.

Bishop was a popular figure, particularly with the island's youth and its women. He formed a "National Institute for Women" and also appointed his mistress as the education minister.

Phyllis Coard was jealous and reportedly urged her husband to depose the prime minister. Our sources say she was definitely involved in plotting Bishop's overthrow.

According to intelligence reports, Bishop and his mistress were last seen with their hands in the air as they were being led away by revolutionary guards. Both were reportedly executed, though a government statement claimed the prime minister was shot in an exchange of gunfire with army troops.

What happened to Phyllis Coard and her husband? They were captured in a hideout by American soldiers and taken to the USS Guam for interrogation. Pentagon spokesmen would not say where they will be taken next, but other sources said they would be handed over to the interim government of Grenada and eventually put on trial.

The invasion of Grenada, meanwhile, may be an ominous sign of the direction the Reagan administration wants to take in Latin America. Another ominous sign is a sketch that was included in a secret briefing paper prepared for the commission on Central America, headed by former Secretary of State Henry Kissinger.

The drawing shows Gulliver tied down by Lilliputians. But the Gulliver in the sketch isn't the hapless character who was the hero of Jonathan Swift's biting 18th century satire. This Gulliver represents the United States, and the ropes that tie the pitiful, helpless giant down

are the restrictions Congress has put on the president and the Pentagon in matters of foreign policy.

The ropes are identified as various parts of three laws: The War Powers Act, the Foreign Assistance Act and the Arms Export Control Act. The drawing is labeled "Obstacles to Policy Implementation."

The Reagan administration apparently wants to cut all these legal ropes and let Gulliver loose to go crashing around the world without having to bother with the Lilliputians on Capitol Hill.

UNDIPLOMATIC DISCRIMINATION II: Last month, we reported that the State Department had tried to hush up a sex discrimination scandal. The department had settled a discrimination suit out of court to avoid publicity.

As the negotiations were being concluded, another sex scandal bubbled up. This one involves widespread sexual harassment in the foreign service.

A cable from the State Department to all U.S. diplomatic posts states that "sexual harassment continues to be a pervasive problem." The cable says that 42 percent of the women and 15 percent of the men who work for the U.S. government have been the victims of some sort of sexual harassment.

The cable points out that

sexual harassment covers a wide range of unwelcome behavior. The "most severe" category consists of "actual or attempted sexual assault." "Severe" includes "pressure for sexual favors, touching, phone calls and letters." "Less severe" harassment means "suggestive looks or gestures, unwanted sexual teasing, jokes, remarks or questions."

The State Department's research shows that only 3 percent of the diplomatic personnel who had been sexually harassed filed an official complaint.

PAPER TIGER?: With the invasion of Grenada, the United States put on a show of strength. But the Navy was ill-prepared to back it up.

We have seen a secret General Accounting Office report which discloses that naval readiness is dangerously less than it should be. Aircraft carriers, for example, are critically short of munitions and spare parts.

The auditors report, however, that the Navy's figures have been fudged so that forward forces can claim battle readiness. Our sources suspect the numbers have been doctored so that allocated funds can be used for the construction of new ships rather than the purchase of needed parts and arms.

Applications are being accepted for January, 1984 admission to the two-year college division at Essex Agricultural and Technical Institute. The course of study includes classroom, laboratory and on-the-job training leading to the associate degree in applied science.

Programs offered for this semester include food science and nutrition, which qualify students for positions as dietary supervisors, quality control and regulatory inspectors and laboratory technicians, floriculture and floral design, horticulture and landscape design, fashion retailing and illustration, greenhouse production and management.

High school graduates should call or write the admissions office at Essex Agricultural and Technical Institute, Haverhill, MA 01937, for enrollment information.

## Kitchen Design

David A. Clement,  
designer

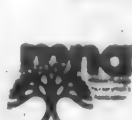

From the 1950s, most kitchen designs were filled with wood and red tiles. After the turn of the century, gas and electricity began to take over as heat sources. By the 1930s, the thermostat revolutionized the stove by allowing it to automatically cook over a range of temperatures, hence the name "range." Despite the stylishness and flexibility of built-in, which debuted during the '50s, stoves generally had limited appeal. The custom look, larger size and versatility of today's free-standing stoves contributed to the decline of built-ins. The latest advances in microwave ovens and cooktops make them extremely appealing to today's look.

## Warriors Surprise Dracut

By Rick Harrison

There are few things in sports as satisfying as knocking off an undefeated team.

The Andover High football juggernaut experienced that feeling first hand last Sunday, doing something no one else had accomplished this fall when the Golden Warriors stunned Dracut 23-6 on a raw afternoon at the Middies' field.

A pair of textbook touchdown passes from quarterback Ralph Dellatto to swift wide receiver Mark Grams, coupled with a Bob Stabile TD run and a Charlie Ziegenbein fieldgoal, lifted AHS to its third straight win and projected the Warriors back into the thick of the Merrimack Valley Conference and Eastern Mass. Division II Super Bowl fights.

Coach Dick Collins' crew improved its overall record to 6-1-1, just a half-game behind MVC tri-leaders Dracut, Chelmsford and Methuen who all stand 7-1-0.

Winthrop, Xaverian and the three clubs mentioned above are also battling Andover, whose chances are remote, but not impossible, for the Bowl berths.

Dracut did play Sunday's contest without star quarterback-safety Bob Marchelletta, who was serving a one-game fighting suspension, but it's doubtful his presence would have been enough to lift the Middies to victory.

The game was considerably closer than the final score indicates, with AHS clinging to a slim 10-6 advantage before erupting for two quick scores two minutes apart in the early stages of the fourth quarter.

Dracut also a wide open pass for the potential go-ahead touchdown dropped at the AHS five-yard line late in the third period, but those are the fortunes of war.

The Golden Warriors' defensive unit once again surrendered a lot of ground, 159 yards rushing and 100 yards exactly through the air, but for the seventh straight game (one shutout) the defense produced in the clutch and held the opposition to one touchdown or less.

All that stands between Andover and its best season since the golden Super Bowl years (1973-75) are two teams it should beat, Billerica (1-6-1) and slumping Central Catholic (4-4-0).

The Indians, who whitewashed Greater-Lawrence Regional 12-0 last week for their first victory, invade Lovely Field this Saturday afternoon (1:30 p.m.) in the final home game of 1983.

The Warriors travel to Veterans Stadium to face Central on Thanksgiving morning, hoping to chalk up their first victory over the Red Raiders in three years.

### Collins' Comments

The Andover players hoisted an extremely happy Coach Collins to their shoulders and carried him off the field after the Dracut victory, and he accepted congratulations from all sides enroute to the bus.

"Naturally I'm tremendously and totally delighted," stated Collins with a wide grin. "I feel badly for Dracut, being an undefeated team and all, but I'm extremely proud of our kids."

"Dracut was shorthanded, but so were we with Stabile, (Pete) Comeau and (Mike) Gibson playing hurt and John Barry unable to play," continued Collins.

### Sack Attack

Warrior Kevin Byrne puts on a solo performance sacking Dracut quarterback for a loss.

"I think they were a little tight without Marchelletta. They missed quite a few passes and other opportunities, and had some bad breaks."

"The keys for us were stopping their first drive (at the AHS 24) and then coming up with some strong running by Stabile for our second touchdown. When we took the lead it seemed to inspire our kids, convincing them that we could win this ballgame," explained Collins.

"Grams made two great catches and Dellatto two outstanding passes, and once Bobby (Stabile) showed me he was running tough I began spotting him in the lineup."

Stabile, who hadn't played since injuring his right knee early in the third quarter of the Wilmington game two weeks ago, sat out the first half of the Dracut contest but carried the ball eight times for 33 yards in the second half.

Grams, the Golden Warriors' top receiver all season, caught three passes for 111 yards including touchdown grabs of 56 and 39 yards.

### Defense Sets Record

Once again the defense was anchored by Co-Capt. Bill Donovan, Ian Dowe, Chris Scarpa, Grant VanAken, Brian McNally, Co-Capt. Mike Griffin, Gibson,

Mark Nardone, Glenn Markey, Charlie Ziegenbein, Billy Vickers and newcomers Kevin Byrne and Shane Smith.

"With Gibson's shoulder hurting we used Byrne and Smith, both of whom played very well," noted Collins.

Byrne came up with a pair of sacks. Gibson had one and Smith twice nailed Middies' quarterback Mark Maille just after he released the ball to force incomplete passes.

Dowe and Ziegenbein produced fumble recoveries while Scarpa had his eighth interception, a second pass was picked off jointly by Grams and Ziegenbein, and Larry Cuddy had an interception.

The interceptions were Andover's 16th, 17th and 18th of the year, establishing a new school record for thefts in a season. The old mark of 17 was held by the 1975 squad led by Glenn Verrette.

### Ziegenbein Fieldgoal

Andover couldn't budge the massive Dracut defense, bulwarked by 309-pound Kevin Legasse and 290-pound Bill Pickles, in the opening quarter.

Three straight possessions (12 plays) produced just 14 net yards and no first downs.

Continued On Page 46

(Continued from Page 45)

The Middies marched from their own 31-yard line to the Andover 24 on their initial series, sparked by a 26-yard Maille to John Gibson pass and short runs by junior Joe Carter, Mark Crowley and 225-pound fullback Scott Phelps.

Dracut eventually surrendered on downs after three consecutive passes were overthrown.

Dowe's fumble recovery halted Dracut near midfield on its second possession, and late in the opening quarter, Ziegenbein recovered a second Middies' fumble at the home team's 11-yard line.

Runs by Dellatto and Nardone produced nothing, but on the final play of the period Scarpa (84 yards rushing last week) slithered eight yards to the three before Jim Tareco made a touchdown-saving tackle.

Collins elected to go for the fieldgoal on fourth down, a mere chip shot by Ziegenbein (same distance as an extra point) and he drilled his second three-pointer of the season through the uprights on the first play of the second stanza.

The Middies moved to the AHS 40 on their subsequent possession, punting the ball away after bogging down, and the Golden Warriors proceeded to drive 90 yards in just five plays for their first touchdown.

Eric Fitzpatrick ran for two yards, Comeau took a pitchout right for seven yards, and Scarpa raced nine for Andover's initial first down of the game.

Dellatto then zipped a 16-yard pass to Grams at the Andover 44, and on the next play Grams snuck behind the Middies' secondary and cradled a perfect pass from Dellatto at the Dracut 25-yard line. The rest was easy, as the track sprinter outkicked the final Dracut defender to the endzone completing an electrifying 56-yard touchdown play.

Ziegenbein toed the conversion for a 10-0 Andover edge at 5:35 of the second quarter.

#### Dracut Retaliates

The Middies' Ed Murphy, who has won more games at one school (203) than any other coach in Massachusetts high school football history, saw his Dracut squad retaliate with a nice touchdown drive of

its own following Cuddy's hard-to-handle squib kickoff.

The Middies marched 67 yards in 10 plays for their lone touchdown, the big gainer a 35-yard sprint by Joe Carter who was finally hauled down by Cuddy.

Maille completed passes to Fuzzy Fauvel (9 yards) and Jim Tareco (14 yards), advancing the ball to the 17, and then a nine-yard pass to Fauvel again brought it to the Andover eight.

Carter bolted seven yards to the AHS one, and with 1:10 left in the half Carter knifed across for his second TD of the season.

The Middies attempted a two-point conversion pass, but Cuddy picked off Maille's toss for his third interception of the season.

Dracut retained possession in the dying seconds of the half, but a long bomb from Maille to Fauvel was tipped away by Scarpa at the Andover 15 as time ran out.

The Middies have been a strong second-half team all year and looked good on their opening drive of the third period.

With Phelps and Carter doing the bulk of the groundwork, and Maille pitching a 16-yard pass to John Gibson, Dracut drove from its own 26-yard line to the Andover 29.

A key tackle by Kevin Byrne, stopping Carter for no gain, set up a fourth-and-two situation.

Maille then floated a soft pass to Jim Tareco who was wide open at the Golden Warriors' five, but in his anxiety to make the catch and score, Tareco dropped the ball.

The Rivals traded punts to finish out the third quarter, with Nardone hammering a 47-yarder (36.1 average for the game on six kick).

#### Lightning Strikes

The entire complexion of the tight game changed dramatically after a short 22-yard punt by Mark Crowley set Andover up at the Middies' 36 to open the final period.

Peter Comeau circled the right side for nine yards, Stabile banged over left tackle for a powerful 13-yard run, Comeau rambled six yards on a pitchout and burst of two and five yards by Stabile brought the ball to the Dracut one.

Stabile then cracked the line for one yard and his seventh touchdown (42 points) with Ziegenbein's 12th PAT and 18th overall point making it 17-6 at 3:15 of the quarter.

Moments later Scarpa tipped and intercepted a Maille pass at midfield, setting up the final Andover TD as Collins' crew moved 49 yards in four plays.

Short runs by Nardone, Scarpa and Stabile, along with a facemask penalty

against Dracut, brought the ball to the 39.

Grams then raced behind the Middies' secondary down the left sideline, snagging a Dellatto pass at the Dracut 10 and cruising to paydirt untouched.

It was Grams' fourth TD reception of the year (24 points) and the fifth scoring strike thrown by Dellatto.

Ziegenbein's conversion kick never got off the ground this time. Dracut was on top of holder Glenn Markey before he could place the ball down, so Ziegenbein scooped up the pigskin, but was tackled almost immediately.

The Middies' next possession ended in frustration, a fifth turnover, as Grams and Ziegenbein combined to haul down a Maille bomb intended for Tareco at the Andover seven-yard line.

The Golden Warriors managed to run off seven plays, eating up most of the final two minutes.

Dracut retained control once more, following a Nardone punt which Carter backtracked from midfield to the Andover 27-yard line.

Kevin Byrne threw Maille for a nine-yard loss, Crowley went nowhere on a draw, a Maille pass for Gibson went astray and Shane Smith nailed Maille on fourth down to force an incomplete pass.

#### Statistics

Dracut finished with edges in first downs (15-8), yards rushing (159-101), total yardage from scrimmage (259-212), scrimmage plays (65-50) and time of possession (22:58 to 17:02).

Andover's lone advantage was in yards passing (111-100) as Dellatto went 3-for-9 and Maille was 8-for-26.

Andover helped its cause immeasurable with no turnovers and just two minor penalties for 10 yards. Dracut was penalized seven times for 40 yards.

The Middies' Joe Carter led all rushers with 126 yards in 16 carries, while Phelps had 27 yards in seven totes.

Stabile had 33 yards in eight lugs for Andover, Comeau 22 yards in four carries, Scarpa 21 yards in eight totes and Nardone 16 yards in five carries.

Gibson was Dracut's top receiver with two catches for 42 yards, while Fauvel reeled in three passes for 27 yards.

#### Billerica

The Indians, operating under new Head Coach Mike Esposito who was a record-shattering running back at Wilmington High, Boston College and with the Atlanta Falcons of the NFL, has taken its lumps this fall.

Billerica is using a freshman quarterback, Dave Lyons, who has played well with five touchdown passes.

Top running backs Walt Cataldo and Rich Glavin have been in and out with injuries all year, which hasn't helped, but both should be healthy for Andover.

The Indians have been outscored 159-15 loss to Haverhill.

#### Freshmen

Last week wasn't a particularly good one for either freshman squad as Andover West lost 30-18 to Haverhill and Doherty dropped a tough 12-6 decision to Dracut.

West fell to 3-2-0 overall with its setback, while Doherty is 1-4-0.

# Warrior Girls Swim To Three Year Perfect Record

"Never have we been defeated" was the cheer heard throughout the Voke pool last Friday afternoon as 11 senior members of the Andover High girls' varsity swim team completed their high school competitive careers posting a 22-0 record over the last three years as the Golden Warrior Wave captured their third consecutive Merrimack Valley Conference championship.

Coach Patty Barrett, who began her coaching career at Andover when this year's seniors were sophomores, saw her undefeated string extended to 22 as her swimmers defeated Chelmsford 98-74. Andover took first in eight of the 11 events and as many second places.

Michele Fox, Anne Koerckel, Abby Robb and Laurene Lazzaretti won the 200 yard medley relay in their fastest time this season, a 2:01.4, while Koerckel returned in the very next event, the 200 yard freestyle, to take first and lead an AHS sweep with Diane Sagaser second and Cathy Smith third.

Senior co-captain Lazzaretti continued her dominance in the 200 yard I.M. with Debbie Rice third and Fox fourth.

Robb placed second in the 50 yard freestyle with Anne Herrmann in fourth. Susan Gerstberger was second in diving and Brenda Busta fifth.

Robb returned in the 100 yard butterfly and, despite false starts, pulled steadily away from the field to win with Sagaser scoring second place points.

Smith and Boudreau battled stroke for stroke in the 100 yard freestyle finished 1-2 with Smith in first by 14 1/100 of a second. Anne Costello was fifth.

Koerckel captured the 500 yard event with Amy Brown a strong second while Rice and Fox finished second and third in the 100 yard backstroke.

Lazzaretti proved the class of the 100 yard breaststroke easily outdistancing the field while Ann Marie Grogan battled the Chelmsford swimmer for second place. Grogan pulled ahead in the final half-length to take the runner-up spot. Tracey Thompson was fourth.

Brown, Sagaser, Boudreau and Smith put the icing on the cake with a strong win in the 400 yard freestyle relay.

Next Friday and Saturday Boudreau, Brown, Carilyn Cronin, Fox, Gerstberger, Koerckel, Lazzaretti, Karen Reddington, Rice, Robb, Sagaser and Smith will compete for Andover in the Northern Sectional Swimming and Diving championships at Regis College in Weston.

The accomplishments of the girls' varsity are due to the total team effort expended by the entire team over the past three seasons. With swimmers from all four classes, the Golden Warrior Wave has compiled a record unequalled by any other team in the history of Andover High School, three consecutive undefeated, untied seasons as Merrimack Valley Conference champions.

Three years ago a group of 11 swimmers presented themselves to Coach Barrett and proceeded to initiate a great change in the direction of Andover High School swimming. The swimmers are:

Dawn Aikman, breaststroke, contributed points regularly;

Lisa Boudreau, freestyle and backstroke, handled freestyle over every distance and a regular winner in backstroke, handled freestyle over every distance and a regular winner in backstroke, sectional

and state qualifier, member of state second-place medley relay 1982.

Amy Brown, co-captain and one of the most versatile swimmers on the team, placed regularly in all events, sectional qualifier.

Laura Dubois, while work schedule permitted her to swim in only a handful of meets, she acted as team manager and was of invaluable assistance.

Ann Marie Grogan, breaststroke and individual medley, always in the top two in breaststroke, sectional qualifier.

Maegan Hughes swam and scored points in any event.

Laurene Lazzaretti, co-captain and undefeated in high school dual meet competition for three years in any event, sectional and state qualifier, sectional champion in 50 and 100 yard freestyle, state champion in 100 yard breaststroke.

on strong this year to continually place high in the event.

These 11, along with the other freshmen, sophomores and juniors who comprise the Andover High School girls' varsity swim team, have worked together as a unit to make their team one of the most successful in the history of Andover High School sports.

terback John Perry (broken thumb), had strong efforts from Steve Redgate, Rich Bourdelais, Dave Curtis and Mike Lane.

Doherty, playing without four starters, had a nice punt return for a TD by Rick Lafond and a solid effort at quarterback from Glenn Allard.

West faces Central Catholic and Doherty battles Greater Lowell Regional this week.

The annual intra-town frosh showdown is scheduled for Saturday morning, Nov. 19, at Doherty.

### Wrapup

Much of the credit for the outstanding

work of the defense this season should be directed to assistant coaches Dick Bourdelais and Bill Vickers.

Bourdelais handles the work with the linemen, while Vickers is responsible for the play of the record-breaking backfield.

Stabile now have over 400 yards rushing this fall, despite the fact he has missed two full games and parts of two others.

Stabile, Comeau, Dellatto and Nardone celebrated the victory by attending the Boston Bruins-Los Angeles Kings NHL game at Boston Garden last Sunday night, watching the Bruins' 7-3 victory from the

executive boxes.

## Y To Open Nautilus

An Open House, including the grand opening of Nautilus, will be held by the Andover-North Andover Y.M.C.A. to kick off its late fall program. Heidi Wolfman, executive director at the "Y," announced the event will take place on Sunday, Nov. 13, from 2 p.m. to 6 p.m.

During the school year the Andover-North Andover Y.M.C.A. operates four eight-week terms. Each term many new programs are offered and regular programs are re-scheduled.

"We are very excited about the many programs we are able to offer, including a Nautilus conditioning program, and have planned this open house and grand opening of Nautilus for everyone who would like a first-hand sampling," says Wolfman.

During the Open House many programs will be demonstrated. Pool programs will include parent/child water classes for ages three months to three years, preschool classes for ages three years to six years, lifesaving and rescue demonstrations, aquacises, synchronized swimming, diving and competitive swimming. The Y's gymnastic team will provide an exhibition, utilizing a full range of equipment and techniques taught in the gymnastics program. Adult classes will include aerobic dancing, karate, Y's Way to Physical Fitness, etc.

A complete line of Nautilus strength-training equipment, for grades 9 through have been added to the Y facility. Nautilus is a total conditioning program of resistive exercises in which participants use a series of machines each designed to work a particular area of the body. The experienced staff will be happy to take you through a workout and answer any questions.

Wolfman noted that the Open House will be more than just an opportunity to tour the building. "We are aware of many new residents in the Andover-North Andover area who deserve an opportunity to see our programs in operation, meet the professional and volunteer staff and ask questions. This is a time we have dedicated to invite the Greater Andover community to learn what their Y.M.C.A. is all about."

An open family swim will be held from 4:45 p.m. to 5:45 p.m. and registra-

tions for the late fall programs will be taken.

For further information, contact the "Y," 165 Haverhill St., Andover. The Y.M.C.A. is a United Way agency.

## Late Fall Programs At Y

Registrations are being accepted at the Andover-North Andover Y.M.C.A. for pre-school, youth and adult late fall programs. Hours of registration will be from 9 a.m. to 8 p.m. Monday through Saturday and from 4:30 p.m. to 7 p.m. Sunday. The Late Fall Term k will begin Monday, Nov. 28, and end Saturday, Feb. 4.

Several different programs are available for the preschool child. Play Group at the Y is a program especially designed to provide the three-to-six-year-old with the opportunities to develop self-awareness, self-confidence and creative expression through a variety of activities which include Swim & Gym, crafts, creative rhythms and Look, Listen & Learn activities. This program is available Monday through Friday from 8:45 a.m. to 11:45 a.m. Children may be registered for two, three, four and five days per week. Tiger Cubs, a similar program, will be offered to the four, five and six-year-olds on Saturdays from 9 a.m. to 12 noon. Parent-Tot Play Group, for ages two years, four months to three years, will give children an opportunity to socialize with other children, experiment with paints, crayons, rhythm and other activities. Classes will meet Tuesday or Thursday from 9:15 a.m. to 11:15 a.m. or Tuesday from 12:30 p.m. to 2:30 p.m. Other combination programs offered to the four to six year old include Swim & Gym, Gymnastics & Swimming, Creative Crafts & Swim, Cooking, Tap and Ballet classes.

Preschool mothers have the opportunity to participate in an exercise class on Tuesday and Thursday mornings while their children are in class.

The Parent-Guppy/Toddler program for children 12 months to four years will familiarize the child with water and provide an opportunity to learn basic water adjustment skills. A combination swim and gym program will also be available to this age group.

Baby & Me classes, an introductory aquatic experience for babies three months to one year and parent(s) through physical contact and adjustment skills, are under the supervision of a qualified instructor.

Instructional aquatic classes for grammar school, junior and senior high school students and adults is designed to allow students to progress at their own rate. Groupings are by ability, ranging from beginner through advanced swimmer.

Gymnastics will continue to be a substantial part of the Y's late fall activities. Class instruction will include floor exercises, tumbling, rings, parallel bars, balance beam and pommel horse. After three developmental achievement levels, the program separates into interest categories for non-competitors, com-

petitors and leadership training.

Live Y'ers, a day-camp-type program for youth in grades 1-6, will be offered from 9 a.m. to 12 p.m. Activities will include swim & gym, crafts, games and much more.

Other programs will be Water Safety Instructor Aide, Presidential Fitness, Indoor Soccer, Jazz & Ballet, YBA, Sportsfest, Tumbling, Karate, Universal Weight Training, Tap & Ballet, Horseback Riding, Music-Drama, Ceramics and a complete driver education course and after-kindergarten and after-school day care.

Highlighting the adult program will be dance aerobics, especially designed for women to enhance cardiovascular fitness. It combines the basic elements of a good fitness workout with the fun of dancing.

Tang Soo Do Karate, the ultimate in self defense, will be offered to men, women and children in grades 6 and up. Instruction in self defense, sparring, forms and breaking techniques will be included in this year-round program where students may be promoted through the various belts. Classes will meet Tuesday and Thursday from 7 p.m. to 9 p.m.

Other fitness classes include: Y's Way to Physical Fitness, Y's Way to a Healthy Back, Aquacises, Rhythmic Fitness, Jazz, Belly Dancing, Aerobic and Endurance Swim, Diving, Water Polo, Weight Training, Yoga, Senior Citizen's Wednesday Morning Program, Men's Informal Basketball, Co-ed Volleyball and Badminton.

Adult special interest programs include: CPR, Stenciling, Horseback Riding, Holiday Stress, Microwave Cooking, Fun with Cooking, Puppy Kindergarten, Dog Obedience and Post-Graduate Pup.

For further information, including a brochure covering all programs, times and fees, contact the Andover-North Andover Y.M.C.A., 165 Haverhill St., Andover.

## Simon Play Rescheduled

Because of illness and unforeseen presentation problems, the CFC Players have rescheduled their presentation of Neil Simon's "Barefoot in the Park" from November 4 and 5 to Friday, Dec. 2 and Saturday, Dec. 3.

The play will be presented on the stage of the Christian Formation Center Auditorium at 8 p.m. Tickets are currently on sale and may also be purchased at the door.

Bluejeans were so named after the original cloth, first woven in Genoa, Italy.

## Down The Years With The Townsman

### 75 Years Ago — November 1908

The Punchard football team lost to Woburn last Friday afternoon by the margin of one point. The game was played under most unsatisfactory circumstances for a large crowd of Woburn supporters crowded over the field and interfered greatly with the players. Much time was lost in clearing the spectators from the field.

The New England Telephone Company will put new toll operating methods into effect in Andover on Friday, Nov. 13th. The company states the new system will mean a considerable saving of time to Andover subscribers. After Friday when a subscriber wishes to make a toll call, to any but neighboring exchanges, he will be connected directly with a telephone operator in Lawrence who will handle the call just as though it originated with a subscriber in Lawrence.

A portrait of Holbrook Chandler, deacon of the South church from 1861 to 1871 has been presented to the church by his sisters, the Misses Emily and Laura Chandler. The portrait has been hung in the church vestry.

### 50 Years Ago — November 1933

George J. Cummings of Morton street was surprised last Friday evening when the Board of Selectmen visited him and presented him with a cane. Mr. Cummings is 95 years of age, the oldest resident of Andover. The cane presented years ago to Andover by the Boston Post is passed on by the selectmen to the oldest resident.

High praise for the limited town meeting plan mingled with scathing denunciation of it at the open meeting of the James Otis Club in the Osgood schoolhouse Monday evening, with a speaker from Danvers and one from Methuen spoke in favor of it and speakers from Marblehead and Methuen spoke against it.

A machine, containing three men each of whom claimed that one of the other two was driving, eliminated two traffic signs and one traffic light last Sunday morning when it ran aground on the traffic island at the intersection of North Main and Union streets. Cruising across the island it finally stopped in front of M.A. Burke's residence with the traffic

standard resting on top of the machine. The occupants escaped serious injury.

### 25 Years Ago — November 1958

A building permit has been issued to Woodworth Motors Inc. for a 39 by 54-foot showroom on the lot at the corner of Haverhill and North Main streets. C.P. Woodworth appeared recently before the Board of Appeals to have restrictions imposed in 1953 eased or lifted to allow this construction. But the building permit was issued — and the request before the Appeals board withdrawn — after town counsel ruled that such a building is specifically allowed in the business zone.

The School Committee has adopted a merit plan, worth \$500 to those teachers judged eligible, and has set a basic maximum salary of \$5,800. Acting Nov. 5, the committee also approved retaining extras — pay for coaching, graduate degree and extracurricular activities.

A proposed plan for revising congressional districts, prepared by Atty. Charles G. McGive of Boston, would make substantial revisions in the fifth district now represented by Congresswoman Edith Nourse Rogers. Redistricting may now be possible, with the election of Democratic majorities in both branches of the state legislature and the re-election of a Democratic governor.

### 10 Years Ago — November 1973

The Andover School Committee once again has charged the administration to come up with a '74-'75 budget that won't jack up the tax rate — despite warnings Tuesday that towing the dollar line would mean a decrease in present school services. The committee had previously asked for a budget that would not increase the school portion of the town budget — in other words, keep it to any increase in the tax base. But Tuesday night, Superintendent Kenneth R. Seifert said a "conservative" \$813,700 increase in the school budget would be needed simply to maintain present services.

The builders of Egypt's Great Pyramid of Cheops at Giza, living about 2900 B.C., existed largely on a diet of garlic and onions.

Andover and North Andover schools have taken preliminary steps toward conserving fuel in the face of a winter shortage, but any present plans fall far short of closing school. Final action, however, could take the form of longer days, shorter weeks, longer vacations, or cooler classrooms, among others. Meanwhile, at least West School has sent home the message that it would set the thermostats back at least three degrees, and asked the parents to provide sweaters for the youngsters.

Andover's long-delayed water treatment plant faces further problems before being placed into operation.

## Shoe Store Has New Owners

David Kennedy, Junia Gilbert

Feet First, long a familiar outfitter of shoes and other footwear for Andover Center shoppers, has been sold, it has been announced. New owners are Junia Gilbert and David Kennedy. Although the sale was actually concluded a few weeks ago and the newcomers have been quietly making the transition since then, the announcement of sale has been withheld until this week.

"We wanted to become familiar with the store operation, inventory and consumer requirements before making the announcement," explained Kennedy. "Actually, our major concern," said Miss Gilbert, "was what direction the store should take under our management."

Following a thorough analysis of inventory, past sales performance and shopper opinion, the partners have concluded that the store should definitely continue as Andover's family shoe store. "We have planned many changes," noted the pair, "but they'll be subtle—mostly in terms of improved service, better quality, and wider variety."

While the store name will remain essentially the same, new signs, facade improvement and store layout changes are scheduled. The most significant changes contemplated are in the areas of merchandising and personal service.

Kennedy is a seasoned retailer of

fashion footwear. For the last five years, he ran the shoe division of the Lane Bryant chain where he supervised 8 stores and an annual shoe inventory of over 1.8 million dollars. During his tenure with Lane Bryant, he increased profitability by 25 percent within his first year and consistently improved sales each year thereafter. Prior to that assignment Kennedy was district manager of shoe sales for the Roemans Stores (two years) at Filenes (4 years) and an executive with Jordan Marsh for four years before that.

Gilbert, formerly of Marblehead (now living in Andover) is also well-qualified but from a different perspective. A former airline stewardess with United, she is the mother of three grown children and had a career in modeling. During the last five years she served as manager for the Martingale Co. of Marblehead. "Juni is my fashion advisor and doubles as vice president of finance," quipped Kennedy.

The pair, who met at a church function two years ago, are proud of their new venture and understandably a little nervous about being accepted by town residents.

To introduce themselves to the community, they are hosting a 10-day "New Owners' Clearance Sale from Nov. 10-23. "It's our way of saying hi," said Gilbert, "...and also a nice way to make room for an exciting, new inventory which we've ordered." Both expect to take an active role in community affairs as well as to become involved with many Chamber of Commerce programs.

## Comedy

"Play It Again, Sam," the 1960's romantic comedy by Woody Allen and directed by Thomnmas E. Luddy, will be presented at Salem State Theatre's Callan studio in the Sullivan Building, Salem State College, Lafayette St., Salem, Nov. 18, 19, 30; Dec. 1, 2, 3, at 8 p.m. Call the Salem State Theatre business office for reservations and information.

## Planners Outline Format For Updated Master Plan

The comprehensive plan consultant, working with the Community Development and Planning director and Andover's new planner, has outlined the form the final document of the town's updated comprehensive plan will take.

Discussing the outline with the Planning Board Tuesday night, consultant Ronald Curran noted that he will complete his contract with the town on Jan. 13. Until then, he will work to complete as much of the planning document as possible with Community Development and Planning Director Jonathan Gilmore and planner Nancy Jeton.

Gilmore said that at the planners' next meeting, scheduled for Nov. 22, he would recommend target dates for the phases described in the outline.

Also by that date, Curran said he would forward a final summary of the recommendations to members of the task forces that have been working on the plan.

The outline will be used as a "working guide" to completing the comprehensive plan, Gilmore explained. According to the outline, the first part of the comprehensive plan will include a statement of purpose, a description of the planning process, and a summary of the 1965 plan (the town's master plan has not been updated since that year).

Part two of the planning document will summarize recommended goals, ob-

jectives, priority issues and planning tasks for five areas studied by the task forces: land use, transportation and communications, schools and community services, public safety and health, and capital improvements.

Part three will present a detailed profile of the town and its existing conditions, including population and housing characteristics, land use characteristics, and town government.

Part four, the "heart" of the updated plan, will describe in detail the "significant issues", goals and objectives, planning tools and recommended planning tasks for eight areas: resource protection, residential development, commercial development, industrial development, transportation and communications, schools and community services, public safety and health, and capital improvements.

The final section of the document will describe its implementation, including a calendar for planning tasks — such as holding public hearings in preparation for town meeting action — and a calendar for reassessing goals and objectives to keep the plan up-to-date in future years.

The planners indicated that parts one, three and "at least half" of part four will be completed before Curran leaves. Part two, the summary, will be the last section to be drafted. Part five, implementation of the plan, will happen after the consultant has left, he told the planners.

## Youngsters Visit Farm

Fall has been a busy season for the nursery schoolers at St. Robert's Country Day School. They picked apples in New Hampshire, made fresh applesauce to take home and visited either a "regular" or a dairy farm.

This week the four-year-olds visit local hospitals after listening to Jean Vizzini, R.N., mother of one of the children, talk about being a nurse and showing them some of the medical equipment she uses. They loved having their blood pressure taken, listened to each others' heartbeats with a stethoscope and tried on hospital gowns, masks, etc.

Count Drac-U-Snack paid his annual visit to talk about nutritious Halloween snacks. (Pat Becker, another Mom, is the creator of the Count.)

Plans are underway for the big Thanksgiving feast. The children are hav-

ing a "real" Indian come to speak to them, then dressing up as Indians or Pilgrims themselves for their Thanksgiving lunch which they'll cook at school.

St. Robert's Country Day School is a parish-sponsored, semi-co-op nursery school open to all denominations. It offers three programs: Mini-Nursery for three year olds; Regular Nursery for four year olds; and Maxi-Nursery for children who will be five by February 29, 1984. There is an opening in the Maxi group. For further information or an appointment to visit, contact Chris Bellorado, registrar.

### Welcomed

Mr. and Mrs. Jerome Andrews were welcomed home from a sabbatical trip abroad last Saturday at the home of Mr. and Mrs. Peter McKee.

### Survey

The U.S. Bureau of the Census will conduct its regular survey on employment and unemployment in this area during the week of Nov. 14-19, according to Arthuyur G. Dukakis, Director of the Bureau's Regional Office in Boston.

Households in this area are part of the sample of 72,000 across the country scientifically selected to represent a cross section of all U.S. households.

The monthly survey is conducted for the U.S. Department of Labor and provides a continuous record of activity in the labor force. The September survey indicated that of the 112.4 million were employed. The nation's unemployment rate was 9.3 percent, down from the 9.5 percent reported in August.

Information supplied by individuals participating in the survey is kept strictly confidential by law and the results are used only to compile statistical totals.

### Promoted

Stephen M. Camire, son of Barbara Camire of 118 Marblehead St., North Andover, has been promoted in the U.S. Air Force to the rank of staff sergeant.

Camire is a munitions systems specialist with the 49th Equipment Maintenance Squadron at Holloman Air Force Base, N.M.

He is a 1978 graduate of North Andover High School.

# Shawsheen School May Be Kindergarten Center

The Shawsheen School may be returned to duty as an elementary school for students in kindergarten through grade six, or it may become an early childhood education center, housing all of Andover's kindergarteners.

School Committee members last week said they would explore those two possibilities, after discussing population and housing projections recently completed by James Fraser.

The committee added, however, that they still have not ruled out the option of leasing the school to a community organization, and indicated that they would review proposals from interested organizations at a future meeting.

Fraser told the committee 200 building permits for houses have been issued for the coming year, and predicted "a very big year for building houses in Andover." But that will not mean a jump in the school population, he added, explaining that Andover has issued 100 to 200 building permits every year for the past 15 years. Fraser told the committee to expect the elementary school popula-

tion to remain stable. (He predicted a continuing decline in the secondary school population.)

With the elementary schools already overcrowded this year, Committeeman Michael Giammusso asked the administration to look into reopening the Shawsheen as an elementary school, or using it as an all-town kindergarten. (Giammusso also mentioned using the school as a middle school for grades six through nine, but committee members showed little interest in that idea.)

The committee will discuss possible leasing arrangements during their next meeting, scheduled for Nov. 15. Chairman Richard Neal pointed out that any leasing agreement might be "very short term" if school officials decide to return students to the school. Giammusso added that officials might decide to lease only part of the building.

The Shawsheen currently houses school administration offices, but will be vacated early next year when all town and school offices move into the former East Junior High School.

## Pell Speaker

Gen Pell, veteran Boston newsman and former Pentagon correspondent and Moscow bureau chief for NBC News, will discuss "U.S./Soviet Relations: A Look Behind the Iron Curtain," at the Endicott College Lincoln Forum Lecture Series on Thursday, November 10, at 8 p.m. in the Endicott Auditorium, 376 Hale Street, Beverly. Originally scheduled speaker Hedrick Smith of the New York Times is on assignment with Secretary of State George P. Shultz. Admission is free.

Pell, currently chief correspondent for WCVB-TV/Metro Media, began his career in television journalism in 1963 when he joined Westinghouse Broadcasting Group W as anchor and investigative reporter for the Boston station WBZ-TV (also an NBC affiliate). In 1967, he was appointed Group W national political correspondent in the Washington bureau and in 1969 became chief of Group W's foreign news service. Based in London, he had administrative and editorial responsibility for the Westinghouse news bureaus in London, he had administrative and editorial responsibility for the Westinghouse news bureaus in London, Paris, Bonn, Beirut, Tel Aviv and Hong Kong.

## Jobs Forum At College

The American Association of University Women, in conjunction with the Merrimack College Office of Career Development, will present "Jobs for the 80s," a forum on today's job market on Wednesday, Nov. 16, at 7:30 p.m. in the McQuade Library Auditorium on the Merrimack campus in North Andover.

Mary Jennings, principal of Andover High School will speak on jobs in education; Andrea K. Trasher of Digital Equipment Corporation will discuss jobs in the computer field; and Ronald Fionte of the Massachusetts Department of Labor will address the overall outlook on jobs in Massachusetts. A representative from the Greater Lawrence Chamber of Commerce will speak on the business forecast in the area.

The forum is open to the public at no charge.

## Annie Auditioning

Michael Davids, Artistic Director of the American Children's Theater, has announced that "ANNIE", the long-running hit musical, is coming to Lowell. The Lowell production will be a full scale, total re-creation of the exciting Broadway show which had its New Hampshire premiere in June at the Palace Theater in Manchester, N.H.

Featured children's roles available include Annie's rag-a-muffin gang of orphans and several other parts for boys and girls 8 to 15 years of age. Leading adult roles include Miss Hannigan (the shrewish headmistress of the orphanage), Daddy Warbucks (the touch hearted millionaire who adopts Annie) and Rooster Hannigan (Miss Hannigan's greedy brother).

Annie will be a major theatrical event for Lowell audiences and Producer Davids promises to spare no expense in staging this elaborate musical. Auditions will be held on Sunday, Nov. 20 at the Lowell girls' Club. Children 8 to 12 years of age should report from 1 p.m. to 4 p.m. and teenagers and adults from 4 p.m. to 7 p.m.

## AMC Walk

On Sunday, Nov. 13 at 1:30 p.m., the Andover Committee of the Appalachian Mountain Club will sponsor an Indian Summer walk in the Wood Hill in Andover. The Wood Hill is worth exploring also for its potential as a new prospective cross-country skiing area. The public is cordially invited. The leader is Al French from Moor and Mountain, who can provide additional information.

Participants will meet at the parking area located on the left on the top of the hill at the end of High Plain Road, near Harold Rafton Reservation.

## Art Show

Francesca Anderson Gallery, Boston's newest art gallery, located at 132 Newbury St., 2nd floor, presents "Director's Choice: A Group Show," Nov. 17 to Dec. 13. The four artists exhibiting are Alexander Farquarson, John Gable, Arthur Polonsky and Monica Vachula.

Landscapes, still-lives, oils, watercolors, and prints will be included.

The Francesca Anderson Gallery specializes in Contemporary Realism of New England artists. Gallery Hours: Tuesday - Saturday, 10 a.m. - 6 p.m.

## Secondary School Survey Underway

A secondary school survey questionnaire, prepared by a study committee on behalf of the School Committee, has been mailed this week to all secondary school parents, along with 3,000 townspeople chosen at random.

The deadline for returning the survey was originally November 7, but has been extended to November 17. Results of the survey will be discussed publicly at school committee meetings.

The four-part questionnaire asks respondents to "grade" Andover's high school and two junior highs, and to indicate their feelings about problems in the schools ("lack of discipline", for example, or "lack of student interest") and areas that need to be changed.

The survey also covers the curriculum, services, operations, and needs in the secondary schools, including such areas as developing skills, guidance services, athletics and social functions available to students.

The final part of the survey offers respondents a chance to indicate where the secondary schools most need improvement.

## Reading

The Salem State College Writers' Series will present Sue Miller, Bunting Fellow at Radcliffe, reading from her short story "Tyler and Byrna" on Nov. 21 at 7 p.m. in the College Union A and B Lounge. The Series is free and open to the public.

## Benefit

The U.S.A. Olympic hockey team will take on the 1983-84 Harvard hockey squad at the Boston Garden on November 15 at 7:30 p.m. Proceeds from ticket sales will benefit the Olympic squad and the Artists' Foundation, a non-profit group created to support the Massachusetts arts community.

## For Those Of Us Who Are Older

By Janet D. Lake

The shopping trip to Newington Mall, Wednesday, Nov. 30, is filling fast. So, if you are interested in joining the group, you had better get down to the center and sign up now. Transportation is only \$6 and whatever else you spend is up to you. But it is a marvelous place to browse or shop and the Christmas decorations will all be in place for your enjoyment.

The center will be closed all day Friday, Veteran's Day.

If you did not pre-register for the free cheese and butter distribution, it is too late and you will not be eligible to receive any on distribution day, November 22, from noon to 4 p.m.

On Wednesday, Dec. 21, there will be a trip to the Merrimack Regional Theatre to attend a performance of Dickens' "Christmas Carol." Get in the spirit of the holiday by enjoying this traditional Christmas celebration. Immediately following the performance, you will enjoy luncheon at Speare House with a choice of entree, London broil or boneless breast of chicken. And the whole day will cost you only \$19—theatre, transportation and lovely lunch.

The annual Council on Aging Christmas Party will be held at Windsor Mills on December 6 with dinner a choice of chicken or baked ham. Tickets are available now at the center at \$8 per ticket. Transportation will run a dollar more. But you'll have a lovely time and be royally entertained. Don't delay! Get your tickets today.

November 16 from 10 a.m. to 12 noon there will be a flu make-up clinic at the center. If you missed your free flu shot last month, now is the time to get it.

The December birthday party will be held at the center on December 1.

The next session of the mini-clinic will be held at Andover Commons

November 15 from 2 p.m. to 4 p.m. with the usual appointments required and made through the Andover Health Department (475-7820). The service is thorough and free.

## Appointed Regional Manager

Voltek, Inc. of Lawrence, the leading manufacturer of crosslinked, closed-cell, polyethylene foam, announces the appointment of John R. Schrier as eastern regional sales manager. He will be responsible for the New England region and New York state. Schrier will develop new accounts and manage existing ones in the specialized footwear market. Voltek, Inc.'s foam products are used in the construction of many popular sporting shoes, as well as other types of footwear.

Prior to joining Voltek, Inc., Schrier served with the Frelen Corporation, N. Billerica, and was responsible for 1.4 million in sales with Artesian Industries of Mansfield, OH, where he area manager for a three state area including Indiana, Kentucky and Tennessee.

Schrier studied Economics and Psychology at Kent State University. He is married and has three children. Schrier and his family reside in Andover.

## Church Fair

The annual Church Fair at Grace Episcopal Church, Lawrence will have many new features this year. Titled "North Common Market Place", the event will be held, for the first time, on Friday and Saturday, Nov. 18 and 19 from 10 a.m. to 7 p.m. the popular lobster luncheon will

be held from 11:30 to 1 on Friday and a fish Chowder or Chicken Barbeque Supper will be served from 4:30 to 6:30. At 7 p.m. the children of the parish will present entertainment directed by David Knipe.

On Saturday a snack bar will be in operation featuring hot dogs and hamburgers from 11:30 until 2. A traditional baked bean supper will be served from 4:30 to 6:30 p.m. followed by an auction and presentation of prizes.

## Computers

The world's largest end-user computer show, the Fifth Annual Northeast Computer Show, will be held at Boston's Hynes Auditorium on Thursday, Nov. 17, through Saturday, Nov. 19 from 10:30 a.m. to 5:30 p.m.

### Simple logic:

Most discriminating car buyers want either a high performance sports car or a sophisticated luxury sedan. Under one roof, we offer superb choices in both categories.

Such as Audi's new aerodynamic 5000S, 5000S Turbo and 5000S Wagon. The Porsche 928S, one of the fastest street-legal production cars in America. And the Porsche 944, 911 Carreras, the all-wheel drive Audi 4000 Quattro, the 4000S Sedan and the Coupe GT.

Porsches and Audis also share a roof because they share a heritage. Design and construction that are constantly advancing the art of German engineering. This expertise is exemplified by Porsche's consistent racing victories and Audi's 53 years of front-wheel drive experience.

And it's carried out with German thoroughness, precision and pride in workmanship.

These same characteristics apply to the "We Care" service we give to Porsche and Audi owners. Everything is state of the art. From a computerized parts availability system to the newest electronic diagnostic machines.

Never before have such uncommon cars had so much in common. That's why they're sold under one roof.

### Merrimack CitgoYour Service Center

With all the traveling you'll be doing now that summer is here, it's time to get your car tuned so you'll be ready to go. Merrimack Citgo, conveniently located on Rt. 125 at Hillside Rd. (next to Trombley Motor Coach) in North Andover is the place for you.

Competitively priced, Merrimack Citgo can handle all your automotive needs for whatever type of car you drive. They specialize in servicing special interest cars such as classics and high performance cars as well as both foreign and domestic automobiles.

If you have a classic car that

needs work or a high performance car that needs fine tuning stop by Merrimack Citgo where you know your car is in good hands.

After over twenty years experience servicing automobiles, owner Jeff Watson will find whatever problems your car has. Let the mechanics diagnose and repair your car. They can eliminate the problems that are giving your car poor engine performance or low fuel efficiency. The crew at Merrimack Citgo will check your brakes, tires, front end and exhaust system giving

your car a thorough examination.

Used cars are also bought, sold and traded at Merrimack Citgo. In their effort to serve you better you'll also find tires and auto accessories to do your own auto repairs.

No matter what type of car you drive - foreign, domestic or high performance - and whether you need a tune up or an engine overhaul stop by Merrimack Citgo conveniently located on Rt. 125 in North Andover where you'll find friendly service and low, low prices. Open Mon.-Fri. 7:30-5 p.m. and Sat. 8:30-2 p.m. Tel. 685-9888.

Smokeout  
Scheduled  
For Nov. 17

Thursday, Nov. 17, will be the Great American Smokeout, the annual celebration of the American Cancer Society urging all smokers to go a full 24 hours without a cigarette.

Larry Hagman of "Dallas" will serve a third

year as National Great American Smokeout Chairman. His message for nonsmokers eager to help smoking friends through the day: "Give 'em sympathy, give 'em understanding, but don't give 'em a cigarette."

The Public Education Committee of the Greater Lawrence Unit is working with schools and local industries in an attempt to show how to create environments conducive to quitting.

A Smokers Liberation Program is being held at the Lawrence General Hospital. The program is primarily a series of work sessions that help people stop smoking as quickly as possible. These programs are offered throughout the year. Call the hospital for more information.

If interested in adopting a smoker and helping a friend get through the day, or if interested in quitting, call the American Cancer Society for help and information.

Children's  
Theatre

The Boston Children's Theatre will present "Hansel and Gretel" at New England Life Hall, 255 Clarendon St., Boston, on November 5 and 26 and December 3, 4, 10, 17, 18, and 26-30 at 2 p.m.

Open registration for young people ages 8-17 for the Boston Children's Theatre's winter term of creative drama classes will be held November 28-30. All classes are held after school or on Saturday mornings. Courses are offered in acting technique, improvisation, voice and auditioning. A special teen workshop is offered for older students.

## CLEAN HEAT?

Whenever there is any kind of discussion regarding various heating fuels, the matter of clean heat often comes up. One type of fuel is supposed to be "cleaner" than another. And a "cleaner" fuel allegedly means a cleaner home.

The term "clean" as used in this sense is meaningless and actually nonsense. A properly working heating system, regardless of the fuel that's used, is a sealed system. Products of combustion therefore won't get into the home. Dust can be found in homes that are heated electrically, and no one can say the dust comes from the fuel used to produce electric power.

Dust is found in homes not because of the fuel that's used but because of the result of the heating function. Heated air expands, becomes lighter, and rises. Cool air falls and takes the place of the hot air and with it dust is deposited. The dust comes into the home through doors, windows, cracks or other openings. It's also brought in by people coming in from the outside—not from the type of fuel used.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

### Just Listed!

One of the great Andover properties - a  
classic Italianate Victorian of tremendous  
character. Marvelous high ceilings  
throughout and many fireplaces including  
a black marble Lincoln fireplace, brand  
new bright kitchen with old and new  
Glenwood ranges, and a South-facing  
screen and glass porch. Two outbuildings  
on nearly two acres in a hilltop setting  
once reserved for only wealthy mill-own-  
ers. **\$175,000**

Andover - A great starter home and a  
great value. Easy one level living made  
even easier by the loving care and atten-  
tion of its owner-interior designer. High-  
lighted by warm earth tones, this three  
bedroom charmer boasts room for king-  
size furniture in the master bedroom, a  
sparkling new white kitchen with track  
lighting, built-in wall oven and micro-  
wave, and a picture window overlooking  
a private, fenced back yard.

Great value: **\$89,900**

### Hesitating?

Don't! Many of us feel that the winter is not the time to sell a house due to the  
holidays and the weather. But with rates down and activity up, this winter will not be  
business as usual. Demand remains high and the supply is low - so, don't hesitate if  
it's time to move on. Give us a call for a free market appraisal.

percent increase in general traffic in the area, generated outside the subdivision.

In his only recommendation to the board, the consultant said the developer should make sure drivers leaving the subdivision and exiting onto Beacon Street have "adequate sight distances" along Beacon Street. Kelly said some trees and bushes might have to be removed along Beach Street to improve sight-lines.

Caroline Robinson of Chandler Circle asked why Chandler Circle was not included in the traffic study, calling its omission "a rather gross oversight. There's been a very large increase in traffic load on that street — the load has been unacceptable since the development began."

Gilmore agreed that it was an oversight, explaining that the town had not asked the consultant to study Chandler Circle. He said the planners would look at traffic impact on the street when the developer proposes definitive plans for future sections in the subdivision.

The entire subdivision, to be completed in phases, will be bounded by Lowell, Beacon and Canterbury Streets and Chandler Circle.
